Con Agra closure puts Fennville on edge

By Piper Raab

The million square foot fruit canning and frozen fruit processing manufacturing plant, Con Agra Foods, located in the city of Fennville, officially announced a future closure plan, slated for June 27th, 2025. City Administrator, Katie Beemer said, "The Rapid Response Team from West Michigan Works! is initiating assistance for the 85 employees losing their jobs. They will be helping with resumes and job searches, as the closure date approaches. An upcoming Jobs Fare for the employees will also be planned."

Katie Beemer stated, "The Con Agra facility used a half million gallons of water daily during full time production from the Municipal Water Plant that removes rust from the water.

In 2016, a loan for $111,000 was made from the U.S. Department of Agriculture for water improvements, which was from the Trump Administration (according to the City of Fennville, Public Works website.)

Con Agra Foods, Press Spokesman, Daniel Hare is handling questions from the media. Katie Beemer also said, "A Con Agra representative from Nebraska, is coming to check the facility and prepare for the sale of the plant," as of last week.

As stated from the Food Dive website, "Con Agra Foods has a Total Debt for November 2024 of $8.46 Billion. The sum of current and of all non-current debt."

Farmer's in the Trenches: A report from a Fruit Grower in Ganges Township

Gary Hunsberger, a second generation, fruit grower farmer, since 1954. His 100 acre orchard, fruit farm, has been selling harvested fruit to the facility for the last 70 years. His farm is located on: 2301 62nd Street, just outside of the city limits of Fennville, in Ganges Township. .

Gary Hunsberger stated, "The fruit canning facility has had numerous past owners. It began as Michigan Fruit Canners in 1929 and was sold to a COOP in 1974. In order to sell your fruit, a farmer had to buy their stock. The COOP remained in business for 30 years. In 2007, the COOP was sold and purchased by Pinnacle Foods. It was later sold to Con Agra Foods, its present owner."

"The plant will be missed. We could see this coming (the plant closure) because they down-sized production quite a bit and production really went down in 2023 and 2024." said Gary Hunsberger. "The area west of the city of Fennville was, at one time, surrounded by at least 35 fruit growing farms. Now only 6 farms are still in operation. A bunch of problems face fruit farmers, making it harder and harder to stay in business. The demand for fruit pie filling has dropped. The I-Hop Restaurant Chain used to be a major purchaser of canned fruit for pancakes. Costs for chemicals: pesticides and fertilizers have sky-rocketed. Labor costs have increased. Fruit from European competition and tariffs are 2 other big challenges. Finding workers to pick harvests has become more difficult. The input costs have climbed but the market prices for cherries have remained the same."

Mr. Hunsberger said, "I will not have a cherry crop this year. I have 9 acres of plums for fresh eating this year. Over the years, we have grown: apples, cherries, pears, plums, and peaches. In the early 1950's, crops were shipped by trains. As more roads were paved and improved, semi trucks took over shipping. Row crops of corn and beans have replaced fruit crops in this area."

Katie Beemer, City of Fennville, Administrator said, "It's been a stressful couple of weeks for us. The Michigan Department of Agriculture, the Economic Development Corporation, and Lakeshore Advantage Economic Agency (for Allegan and Ottawa counties) are all getting on board. The Con Agra Foods facility site has been in operation in the city of Fennville 96 years."

Seven inmates honored at graduation ceremony

By Piper Raab

The Community Reentry Unit Program for qualified inmates at the Allegan County Corrections Center is a quarterly intensive education and life skills preparation program with a Christian foundation. The program is directed and managed by Lead Jail Chaplain, Sarah Montgomery and Chaplain Assistant, Patricia Sheldon.

On Thursday, March 27th, a 41st Community Reentry Graduation Ceremony took place for 7 inmates at the Corrections Center in front of an audience of 24 people. In attendance, there were family members, volunteers, and staff. The 7 graduates received certificates of completion, "Every Man's Bibles" and a pizza lunch with family members.

Sheriff Frank Baker and Chaplain Sarah both spoke to the Reentry Graduates, praising their accomplishments, efforts and hard work. Sheriff Baker said, "You all are the Crown Jewel of the facility. You all are all making a difference in becoming productive members of society.I hope we can some day meet on the outside and you can tell me stories of your success.I can't wait for that day, so I can shake your hand and pat you on the back."

During the ceremony, the Graduates were given the opportunity to get up and speak about their experience in the Reentry Program. There were moments of honesty of the past and words of asking for forgiveness for past mistakes. There were moments of tears of joy and appreciation for the opportunity to participate in the program.

Sheriff Frank Baker said of the program, "The Community Reentry Unit Program has been very successful over the years. We are very fortunate, in Allegan County, to have a partnership with:Reach the Forgotten Ministries and the volunteers who provide the services. It can be a very moving experience to witness individuals, who have undergone such a change, during the 10 week program."

"I recall one graduation that occurred a few years ago. An inmate participant asked if we could invite the deputy that arrested him to the ceremony. He wanted an opportunity to meet with the deputy and show him that he was not the same individual the deputy encountered and arrested that night. He did not want the deputy to always remember him like he was the night of his arrest, which was before his participation in the program."

"I even recall an individual who asked his attorney to talk to the judge into keeping him in jail long enough for him to complete the program, as it was having such an impact on him."

In an earlier interview with me, Sheriff Baker stated, "When I am hiring Command staff, I consider personality compatibility for empathy on the campus."

Each 10 week Community Reentry Program session begins with a 2 week organizational initiative. Inmates who request their wishes to participate in the program are screened, interviewed and selected by staff. During the 10 weeks, daily routines are established of getting up early, going to classes and learning new skills. During the 2 week interval, volunteers and mentors get a break.

Sheriff Frank Baker said, "Separating from old habits and old friends by replacing them with healthy situations with a purpose, is many times a helpful solution for future success. So when inmates are released back into the community, the hope is that they will not be returning back to jail.

The Community Reentry Program is a trained volunteer effort collaborative. Chaplain Sarah said, "A full, 10 week reentry session, utilizes 18 volunteers." Chaplain Sarah organizes all the volunteer: mentors and teachers. Assistant Chaplain Patricia takes care of the administrative portion and she, also, counsels and teaches inmates.

From left to right, Front row: Kevin Smith, Jeremy Lord, Tony Smith, William Morris and Deputy Michael Holland. Second row: Chaplain Sarah Montgomery, Deputy Josh Wiersma, Shawn Thomson, Dustin Weaver, Sheriff Frank Baker, Joel Fisher

Cohort groups are created and the inmates move into dorm rooms in the jail. The total immersion process has a strategy to teach inmates how to get along in real life setting experiences. Chaplain Sarah explains further, "The Program addresses: addiction, relationships, anger management, seeking safety (females), healing from trauma, life skills, and Bible Study. Deputy's: Michael Holland and Mary Theresa Carlson teach MRT classes (Moral Recognition Therapy). GED or career readiness, known as Allegan County CREATES are also, offered. CREATES stands for: Career Readiness, Education and Training Employment Skills. A list of inmates is made and many times there is a waiting list.

The GED classes are taught by Instuctor, Mary Howard. Mary is a retired Hopkins Public Schools principal. There are 12 computers in the classroom at the Corrections Center. The GED classes follow the Zeeland Public Schools program and calendar. The State of Michigan GED is equivalent to a high school diploma.

A Career Coach from West Michigan Works talks to prospective inmates about their skills and preferences for employment. Resume writing (gaps in employment writing help), interview skills, and jobs skills are taught to inmates. Interviews and a job waiting for them upon their release are also possible.

Chaplain Sarah Montgomery will have her 10 year anniversary as the Jail Chaplain at the Allegan County Corrections Center, this year.. She began there on April 1st, 2015. Chaplain Sarah is also the Reverend of the Rectify Church, located on 247 North Main Street, in the city of Allegan.

The old Allegan County Sheriff's Offices and Jail was built in 1962 and demolished in 2015. The present Sheriff's Offices and Corrections Center is 10 years old, this year. Sheriff Frank Baker was elected in November of 2016 and he has been Sheriff for 8 years.

As stated on the jailministry.org website, "Reach the Forgotten Jail Ministry is a biblically-based, Chaplain-led, volunteer ministry. We provide hope in Michigan county jails by teaching, preaching, and showing the love of Jesus Christ. We currently have placed 35 Chaplains in 35 counties… the largest jail-focused ministry in the U.S."

Chaplain Sarah Montgomery asked, " Please consider donating to jailministry.org. The donations go directly to the purchase of inmates' study lesson books, materials and Bibles."

Planwell mill strongly damaged in latest storm

By Jason Wesseldyk
Sports Editor

The storm system that swept through the area during the evening on Sunday, March 30, brought with it heavy rain and damaging winds.

Among the casualties of those winds was Building 2 of the mill complex on M-89 in Plainwell.

According to City of Plainwell manager Justin Lakamper, approximately half of the building's roof was pulled off. That, in turn, caused the south-facing wall on the building's third floor to collapse.

"It's also clear that a number of supports for the third floor were also damaged," Lakamper said.

Lakamper said several passersby noticed the damage from the road and altered the Plainwell Department of Public Safety. Public safety officers, who informed Lakamper of the situation, worked to quickly secure the area.

City officials informed residents of the situation by way of a Facebook post on Sunday evening, warning individuals to stay clear of the building.

"We ask that the public stay clear of the building and under no circumstances attempt to get inside," Lakamper said, echoing the warning on social media. "The walls are no longer stable and pose a risk to anyone near them."

Lakamper said city officials are working diligently to determine the next steps in finding a solution to the situation. Currently, there is no firm timeline for coming up with a final resolution.

"There will be multiple stakeholders and agencies involved in bringing this to a conclusion and that process will most likely take some time," Lakamper said.

Given the fact that the building has been designated as a historic building, one of the organizations that will be involved in the process of deciding the building's fate will be the State Historic Preservation Office.

"It's a historic building, wo what can or cannot happen with it is in large part governed by the State Historic Preservation Office," Lakamper said. "That being the case, the City will be working closely with SHPO to determine what should be done with the building.

"The City will not simply be able to decide whether to remove or repair the building on its own."

Expand the beauty of spring with Art in the Garden

By Gari Voss

The beauty of Spring lies in the colors, textures and shapes of nature. The natural changes occur when the cold, accented by the harsh dark hues and textures of winter, turn into the soft weave of new grass and leaves along with the vibrant colors of spring flowers. Those textures and colors will come to life during the Allegan Area Art Council's *Art in the Garden* on Saturday, April 12, 2025, from 10am-4pm at The Silo in Allegan.

The *Art in the Garden* planning team, led by Jude Hardin, expanded their look at art from visual artists and artisans to poetry, plants and other forms of arts. Along with 'Connecting Generations,' *Ekphrastic Art* will be featured. "Art" is often viewed from the visual aspect, but the beauty of a picture or object can also be depicted in words or actions to enhance the meaning.

Therefore, ekphrastic means, in simple terms, a description or interpretation of one work of art through another artistic medium.

The Team shared, "An ekphrastic poem uses words to create a vivid depiction of a piece of visual art. The description does not have to be literal, although often the writer begins with some element contained in the art, then moves beyond description to evoke something larger, such as a feeling, memory, or imagined encounter. Reverse ekphrasis happens when visual artwork is created in response to a written piece."

Think of "Vincent' which may be better known as "Starry, Starry Night." Don McLean was able to take an artist's interpretations of an oil-on-canvas painting by Vincent van Gogh and put it into poetic words and music. The performance piece was able to explore the themes of the artist's talents, struggles and mental illness while focusing on one of his most famous works.

"My goal this year was to expand Art in the Garden to be a celebration of art," explained Hardin. "We are encouraging all to come and experience art in many different forms; with the hope that they, too, will fall in love with the many joys with which art blesses us."

Art in the Garden 2025, hosted by the Allegan Area Arts Council on Sat. April 12, 2025, will include Ekphrastic Art that allows for the interpretation of visual art using poetry and visual art that interprets poetry. From 10am-4pm, The Silo on M-40 south of Allegan will be adorned with wonderful pieces by artists and artisans plus workshops and hands-on projects for all ages.

Art in the Garden 2025 will give visitors opportunities to continue to enjoy the wonderful works of artists and artisans from past years while layering on *Ekphrastic Art*.

Featured on Saturday will be poems written by members of the writing group North. The words are inspired by paintings created by members of the Allegan Area Art Council (AAAC) as were some of the paintings inspired by their poetry! North is a group of writers who live mostly north of Kalamazoo. North members sharing their poetry will be Robin Church, Melanie Dunbar, Elizabeth Kerlikowske, Kathleen McGookey, Jill Doster Marcusse, and Julie Stotz-Ghosh

The poems also inspired pieces created by The Bear & Fox Yarn Den, Saron Jager of Sharon's Quilts, and other members of the AAAC.

The schedule for the day celebrates artistic expression through music, readings and workshops:

10am-4pm: The Artists Market will be open to peruse and purchase from the artists and artisans.

10am-3:30pm: In the free Creative Corner for All Ages, there will be projects that different generations can do together throughout the day. From decorating a Very Hungry Caterpillar to planting a hanging spider plant, generations will work side by side to create a keepsake project.

11am-Noon: Fun with Fabric with Sharon Jager will use a variety of fabric to create a landscape 'painting' and the Treasures Box project will transform a simple shoe box using fabric are for all skill levels. (lower level for all ages & skill levels)

11am-Noon: Watercolor Floral Card Painting with Lori Hibma of Cattage Arts & Eats will guide participants through the techniques and steps to create a beautiful, handcrafted card. (lower level for all ages & skill levels)

12:30-2pm: Improv Theater with Spike Kunetz will encourage participants to be spontaneous and have fun while learning the basics of improvisational theater. (on the lower level for ages 15+)

2-3:30pm: Live Music with Kitten and the Tonics

The AAAC welcomes all to enjoy Art in the Garden! The Arts Council encourages all to join as members who receive information about arts news, events, trips, and classes. There are member-only events and member fee reductions when participating in AAAC art events. Members become part of our art family. The membership fee helps defray costs related to the promotion of the Arts in the Allegan area.

For more information on Art in the Garden and the Allegan Area Arts Council, check https://www.alleganarts.com/ and their FaceBook page.

Upcoming Events

Mon., April 14, 2025, AAAC member trip to the Art Institute of Chicago. Attendees will carpool to Michigan City and take the South /shoreline train into the city. For a special fee, members will view the work of Frida Kahlo.

May 4, 2025, 7pm: The Wildwoods Concert at the Griswold Auditorium. Doors open at 6pm, Downtown Allegan will serve refreshments. This is a reserved seats events and tickets can be purchased https://griswoldauditorium.ludus.com/. The net proceeds will assist with Summer Arts Camp Scholarships for high school students.

Allegan farmers join Lansing tractor protest

By John Raffel
Correspondent

ALLEGAN — Former Allegan County commission chairman James Storey reported a fleet of farm tractors, including two from Allegan County, encircled the Michigan State Capitol on March 18 to call attention to the heavy-handed practices of the state's Department of Environment, Great Lakes, and Energy, (EGLE).

"The tractor parade was organized to show support for the Michigan House of Representatives oversight committee investigating the conduct of EGLE administrators and field staff exercising control over farming operations. Allegan County's Ben Schaendorf sent two of his family farm's tractors to participate in the tractor parade because of his family his experience with over regulation by the EGLE. During the three-hour House Oversight committee hearing, family farmers cited instances of EGLE staffers conducting illegal searches of private property, citing a farmer in one case because a piece of straw was found in cattle feed.

"Emotional testimony was heard from the brother of a Saginaw County landowner who improved a shallow pond to a one-acre body using a licensed contractor. According to the testimony, three EGLE staffers invaded the property without notice to the brother-owner and, despite assurances from the invading staff that "it is no big deal," the brother soon found himself cited for violating the wetland laws. He has been ordered to fill in the pond which is now home to hundreds of fish, ducks, geese, turtles and snakes. All this when the brother has in his possession an official document from EGLE's predecessor agency, DEQ, stating that the property on which the pond was built is not a protected wetland."

Storey added: "State Rep. Luke Meerman, R-Coopersville, says the hearing showed the EGLE sometimes acts without benefit of law or regulation. He hopes the committee will use the information to reign in EGLE's overregulation of farming operations."

Parking lot reconstruction begins in downtown

Construction of the Hubbard Street parking lot behind The Regent Theatre in Downtown Allegan began on Monday, March 31 and will last until or around Friday, June 27, 2025. Parking in this location will be prohibited during this time.

Below is a diagram of the how the new parking lot will look after construction completion.

In addition, the Water Street parking lot between Myers Auto Value and the Perrigo Outlet Store will be closed on Thursday, April 3 and Friday, April 4. The parking lot will reopen with temporary compact gravel in place until it is paved in June.

All businesses in these areas will remain open and accessible.

Spring brings a return of the Spongy Moth

By Gari Voss

Each spring, those who love their mighty oaks watch carefully for the dreaded Spongy (Gypsy) Moth egg masses and caterpillars. There may be some good news for these vigilant protectors of trees. It is the nucleopolyhedrovirus (NPV) that seems to be able to control the Spongy Moth population.

"Dr. Greg Dwyer, from Dwyer Lab of the University of Chicago, has done a bit of research on the virus that kills Spongy Moths," shared Ben Savoie, a District Forester in the Barry Conservation District. "From samples taken in 2023, it was found that 99.99% of caterpillars hatched from wild eggs in a lab were killed by NPV. With the huge decrease of egg masses, combined with the prevalence of this virus, we are predicting a population crash for this year."

Unbeknown to the pesky moths, Dr. Dwyer had purchased a cabin in Barry County and noticed the caterpillars eating his trees. In the summer of 2024, Dwyer and his team did a sampling and found that nearly 99% of the caterpillars sampled were infected with NPV. This gave hope that a dramatic reduction of the Spongy Moth was on the horizon.

Savoie reflected, "The Barry Conservation District recently did a survey for egg masses. I was able to go over the data that was collected and found some great news from the results. We are expecting a significant decrease in Spongy Moth populations this year. We found that there were 84% less viable egg masses than the previous year from our surveys, meaning that fewer caterpillars made it to adulthood to lay eggs."

The sampling for this study was done in Barry County, so the question came as to whether studies had been done in Allegan County.

"Unfortunately, we only had funding to do sampling in Barry County," admitted Savoie. "However, the forests of each of the counties are very similar, being oak-dominant and having one large State Game Area that represents a majority of public forest and the rest being privately owned. I would expect similar sites to experience a similar drop in populations, but we don't know for sure."

Spongy Moths are not native to North America but migrated from Eurasia. It was in the 1860s that French entomologist Etienne L. Trouvelot was experimenting with species for silk production when the moths were accidentally released to the wild. Thus began the moth's crusade that has caused damage to North American trees with little effect from pesticides.

Even with the hope that the Allegan trees will see the same reprieve from the Spongy Moth as the Barry County forests, vigilance is still the name of the game. Oak trees are the caterpillar's favorite host tree, but they will also dine on willow, apple, crabapple, white birch, witch hazel, mountain ash, basswood, linden, pine, Douglas-fir and spruce.

Those determined to protect their trees from this pest have taken time to learn the life cycle of the insect. The cycle begins with a single month laying a fuzzy, rust-colored egg mass that contains 600-1000 eggs. These are deposited on the underside of branches, decking, crooks of trees, awnings and gutters. The eggs survive the winter and hatch in late April to early May.

The larvae, or caterpillar, stage matches that of The Very Hungry Caterpillar. In 7 to 8 weeks, the caterpillars feed continuously and can decimate the foliage on a tree. The stage usually ends from late June to early July. This is where prudent arborists and tree lovers can make a difference.

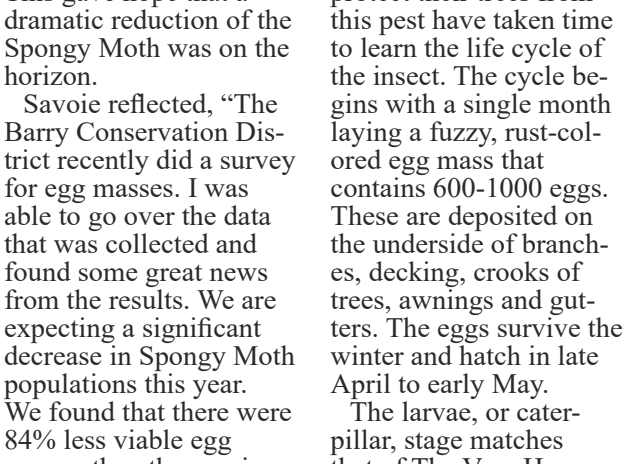
The Allegan Conservation District has conducted workshops on getting rid of the Spongy Moth. In the spring, one of the most effective ways is to wrap a swath of burlap cloth around the trunks of trees. The caterpillars will come out to eat in the morning or at night then "hide" in the burlap. Each day, the caterpillars can be scraped from the burlap into soapy water, burned or crushed then placed in the garbage. The burlap can be replaced and prepared for the next harvest. In the fall or winter, scrape egg masses into soapy water and let them soak for at least 24 hours or burn them. Do not try to crush them or leave them on the ground where surviving eggs can winter over waiting for spring.

If the Spongy Moth caterpillar lives, it will form a pupa, or cocoon, where it will remain for one to two weeks. When it emerges as a moth, it will not feed. It's sole purpose is to reproduce. It will find a sheltered location to leave its eggs, and the annual life cycle will begin again.

Since the Spongy Moth has no real predator, the discovery of nucleopolyhedrovirus (NPV) is promising. The virus spreads quickly in areas where there is a large infestation of Spongy Moth.

The only caution may be that the virus needs to interact with the fungal pathogen Entomophaga maimaima. If there is a dry spring, the fungus, that is a natural enemy of the spongy moth, may not form a lethal enough combination with the virus to be effective.

With the current data from 31 sites across forests in Barry County during 2024, viable egg production will continue to decrease, and hopefully, this decrease will be as evident in Allegan County forests as it is in Barry County.



An effective method for trapping Spongy Moth caterpillars is to tie a swath of burlap around an oak, or other favorite tree, then check it each day to "harvest" the caterpillars that are caught in the burlap. The caterpillars can be soaked in water, burned or crushed then disposed of in the garbage. Photo: Barry Conservation District.

Bag some books for library programs

By Gari Voss

The Friends of the Allegan District Library announced that on Friday, April 18 and Saturday, April 19, 2025, during library hours everyone is welcome to fill a bag with books then make a free will donation to the Friends of the Library.

"We have these sales sporadically whenever we need space for new donations," explained Jen Letz, current president of Friends of the Allegan District Library. "We used to do the sale during Sidewalk Sales Days, but now we have a sale whenever we have a backlog of books."

These are books that have been donated to the Carnegie Library Bookstore or books that have been decommissioned by the library. "We have some really nice children's books, young adult books, plus a whole slew of adult fiction and nonfiction books. There may also be some nice DVDs and Books on CD. Our storage room is overflowing, and we just don't have room to put all of them out in the bookstore."

The event is simple. Come to the Riverfront Level of the library either by the riverfront door or Hubbard Street entrance. The books will be in the hallway of the lower level. Fill a bag with books. Then make a donation of any monetary amount.

"Instead of specifying the price of a bag of books, we just leave it up to the buyer to make a donation of their choice," stated Letz.

The money collected will be used to support the programs and materials at the Allegan District Library. Raising funds primarily through the operation of the Friends of the Library Carnegie Corner Bookstore assists the library in achieving their mission to improve the community by to enhancing access to resources, services, and programming.

"The Friends sponsored programs include the sponsorship of the summer reading program. When the city hosts Bridgefest, we arrange for the bounce toys. During the Christmas holiday, we support the Allegan Brass Collective Christmas Concert at the Griswold Auditorium."

To become involved with the Friends of the Allegan District Library, everyone is invited to attend the monthly meetings on the 4th Tuesday of each month at 1pm. The next meeting will be April 22, 2025, at 1pm. There will also be some experimenting with a 5:15pm meeting on June 17, 2025. This will allow people who work to participate in meetings and give support.

At this time, Jen Letz is president of the group, but she will hand over the reins at the end of June 2025 to Jennifer Gunter.

The Friends know that not everyone can commit the time to volunteer, so they invite people to support the Friends by shopping at the Friends of the Library Carnegie Corner Bookstore on the lower level of the library.

What's Important to you?
Let's Talk.

LEIGHTON TOWNSHIP
PUBLIC NOTICE

To the Residents and Taxpayers of Leighton Township, Allegan County, Michigan and affected Taxing Units.

NOTICE OF HEARING
TO CONSIDER THE INDUSTRIAL FACILITIES TAX EXEMPTION REQUEST OF
RHINO SEED & LANDSCAPE SUPPLY, LLC

Please take notice that the Township Board of Leighton Township has received a request for Rhino Seed & Landscape Supply, LLC for an Industrial Facilities Tax Exemption Certificate on the property located at 1113 Electric Avenue, Wayland, MI 49348, more fully described as Permanent Parcel Number 0313-216-027-00.

Take further notice that the Township Board will meet at the Township Hall, 4451 12th St., Wayland, Michigan on Thursday, April 17, 2025 at 7:00 p.m. for a public hearing on the proposed Tax Exemption Certificate.

Inquiries regarding the above matter may be made by calling the Township Clerk at 616-891-8238

PROTECT YOUR HEALTH AND THE ENVIRONMENT:
KEEP YOUR HOME SAFE

DID YOU KNOW……..

that items we use everyday could be hazardous? This is especially true if they are disposed of improperly. Dumping home toxics down drains, sinks and toilets or putting them in the trash could hurt your health and the environment around you.

DISPOSAL INFORMATION

LATEX PAINT—Normal trash pick-up (Open the can and dry it out with cat litter. Keep it separated from your other trash)

AMMUNITION—Check with your local County Sheriff's Department Property Room.

SMOKE DETECTORS—Return them to the manufacturer.

"DON'T DUMP IT IF YOU WOULDN'T DRINK IT!"

MAKE A DIFFERENCE BY…….

- Minimize the frequency and application of home chemicals.
- Use a broom, not a hose to clean spills.
- Maintain your cars by repairing leaks immediately and disposing fluids properly.
- Store home toxics properly by keeping in cool, dry areas and protect products from freezing.
- Dispose of home toxics properly. Contact the local health department for appropriate disposal information.

CALL YOUR COUNTY FOR INFORMATION ON DISPOSAL OF THE FOLLOWING ITEMS

- ✔ AEROSOLS (Full or Partially Full)
- ✔ ANTIFREEZE*
- ✔ ASPHALT AND ROOFING TAR
- ✔ CAR BATTERIES*
- ✔ CLEANERS AND POLISHES
- ✔ FLAMMABLES (Gasoline, Starting F
- ✔ HOME REPAIR PRODUCTS (Glues, C
- ✔ HOUSEHOLD BATTERIES
- ✔ MERCURY (Thermometers, Home Thermostats)
- ✔ NICKEL CADMIUM RECHARGABLE BATTERIES (Used in cordless phones, camcorders, cordless tools, etc.)
- ✔ OIL BASED PAINT
- ✔ PAINT THINNERS, SOLVENTS, VARNISHES
- ✔ PESTICIDES
- ✔ PHOTOGRAPHIC CHEMICALS
- ✔ TRANSMISSION OR BRAKE FLUID*
- ✔ USED MOTOR OIL*
- ✔ WEED KILLERS

*Your local auto service station may acce
items.

Allegan Source Water Protectionhttps://www.cityofallegan.org/departments/drinking_water.php

NOTICE OF UPCOMING WATER SERVICE LINE INSPECTION

The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is requiring water suppliers to investigate their water lines to determine the presence of lead service lines in the system. The City of Allegan has been awarded grant funds to investigate 815 customers' water service materials.

To do this, the city is working with Plummer's Environmental Services. Plummer's will be using a vacuum truck to excavate the soil on top of the curb stop. Any disturbance to grass, concrete, or asphalt will be restored. This will be done at no cost to the homeowner.

These inspections will occur from April 2025 to August 2025. As the inspection will occur outside the home at the right-of-way line, the homeowner does not need to be present at the time of inspection. Once the inspection at the curb stop has been completed, the results of the material investigation will be communicated to the homeowner.

Please visit the City of Allegan's website for further information, including a map of all the addresses that will be investigated as part of this project. If you have any questions, please contact the City of Allegan at (269) 673-5511.

Nuclear energy is back

MIKE'S MUSINGS

MIKE WILCOX
■ PUBLISHER ■

With all the talk about solar and windmill energy and how they will power our country in the future, we hear very little about nuclear plants that are being recommissioned.

Nuclear power is considered by many to be the most efficient, and cleanest form of energy. In the early 2000's however, after the catastrophic Three Mile Island incident, and Chernobyl earlier, and the Japanese nuclear power plant meltdown in 2011, nuclear was considered unsafe.

However, that mindset has changed among experts and recommissioning even Three Mile Island is expected to happen. Right here in our backyard the first recommissioned nuclear facility is preparing for an October re-opening.

Palisades in Covert (Van Buren County) now owned by Holtec Inc, has nearly 600 employees and another 400 contractors on-site preparing the nuclear power plant for action. Holtec purchased Palisades in 2022 and originally was set to dismantle the plant, but after receiving a $1.52 billion loan from the Biden administration, is now doing the opposite.

Holtec will also receive an additional $150 million from the State of Michigan. Governor Whitmer in package of bills signed by her in November 2023 created a goal for Michigan to reach 100% carbon neutrality standards by 2040, a plan that moved up the deadline from 2050. Kara Cook, Michigan's chief climate and energy strategist, said nuclear power is an important piece of the puzzle in reaching that goal.

"Nuclear is a really important component of us being able to meet that 100% clean energy standard by 2040," Cook said. "It's not going to be the only component, right? We need a diverse portfolio of clean energy resources in Michigan to make sure that we're balancing the clean energy goals along with reliability and affordability."

The plant will generate 800 megawatts of base-load power, all carbon free, enough to meet the electricity needs of roughly 800,000 homes, and create over 1,000 new jobs during refueling and maintenance. The plant's advanced age means it will require extensive upgrades to meet modern safety standards. Those upgrades are being instituted as we speak.

Midwestern power companies, Michigan-based Wolverine and Indiana-based Hoosier Energy, agreed to purchase all of the generated energy from Holtec. In September, Wolverine received a federal grant to receive 435 megawatts of energy from Palisades. I'm curious as to why Consumers Energy isn't involved.

I'm not sure this area has seen a bigger project in the last ten years. One-thousand new jobs is terrific for a stifled economy, and to imagine this plant can service almost a million homes is breathtaking.

Expect this to be a model for other long forgotten, decommissioned nuclear power plants. Nuclear is the best source of clean energy for the U.S. Sure wind turbines and acres of solar panels can provide energy as well, but not to the extent of nuclear power plants.

I sincerely hope Palisades meets its October start-up and is wildly successful. It will go along way towards helping the U.S. meet its increased energy needs. Just as important it will provide a thousand new jobs to our area economy.

Life as Performance Art

G C Stoppel

G CORWIN STOPPEL

President Trump has announced he plans to somehow annex or take over Canada and make it into our 51st state. I am not certain of the finer details of his aspiration for doing this, and question if he even has any real plans. All things considered, he has been so busy signing so many Executive Orders, it would surprise me if he has given this serious thought. Besides, we tried taking over Canada twice before and got our tail feather singed. Another time we got into a skirmish over one of the Padre Islands in the Pacific Northwest when an American and British subject squabbled over a pig. I am not joking, and you can look it up.

I have a penchant for counter-factuals, where things are reversed. For example, what would have been the outcome of the American Revolution if Lord Cornwallis won the Battle of Yorktown? What would have happened if Lee had been victorious at Gettysburg? You get the general idea. We ask those questions on almost any subject.

In this case, what if we reversed it, and instead of co-opting Canada, we asked if we could become part of their country. I know this would immediately have the Christian nationalists, the well-armed MAGA militias, and a few others up in arms. I also know the chances of this happening are just about absolute zero. But let's have some fun and give it a little thought to the benefits and liabilities.

For one thing, we get the Windsor Family, starting with Charles and Camilla at the head table as the king and queen. Remember, we already have Charles' #2 son living here, so that would save on moving expenses if he was named the governor. Even better, we get a two-for-one deal because Meghan and Harry seem to be joined at the hip.

We already have a good-sized hockey league, so that is something we have in common with the Great White North. We both have football teams, but Canada has some rules that are unfamiliar here; there is some work to be done on that. We both have hockey, so we're good to go. For those who like the game, the good news is that almost every night is "Hockey Night in Canada" on television. But wait, there's more.

Now the good news is that we could make a deal with our neighbors to the north about expanding their curling leagues. You know - that shuffleboard-like game on ice, only with granite rocks imported from Scotland, brooms, and crowds that will break out with the shout of "Sweep!" The game that can be played by old geezers and geezerettes, some of whom have had a few too many cans of Molson or Moosehead. It is a peaceful game, and I've never seen a brawl break out.

Slightly less peaceful, we would get more lacrosse than ever before. And we can watch lawn hockey. Now that looks like such a nice sport, but the players, especially on the women's teams, really go at each other with their sticks and sharp elbows.

If we are allowed to become the newest province of Canada we'll get some interesting additions to our menu. The first will be the national dish, poutine. It's a side of French fries and cheese curds covered in a brown gravy. The nice thing about poutine is that the fries can be stale or soggy, and they still taste the same. I wouldn't encourage you to eat it cold or even room temperature. Nor do you want to try poutine ala mode for dessert.

From Newfoundland, we would be able to eat our fill of cod's tongue and cod's cheek. It is exactly as bad as it looks and sounds. If you have trouble summoning up the courage to sample it, a shot or two of Newfie Screech will make you far less inhibited. Try the fish, and don't forget your veggies by tucking into a big bowl of dulce. It's seaweed but calling it dulce seems nicer - just as we no longer speak of Chilean Bone Fish but call it tilapia. After you finish your meal, another bump of screech might be a good idea.

From Alberta, we would get a new delicacy - smoked moose tongue. It tastes pretty good, sort of like tough beef, but fair warning because it can cause a little gastric interruption of the loud and odoriferous variety. Teenage boys love it, and not so much for the taste as the after-effects, especially around adults in a closed room. The less sophisticated fellows think it is a great way to get the attention of young women.

Instead of FBI agents in black suits, white shirts, and black ties, the Canadians up the style. They get to wear Smokey the Bear Hats, and red coats on important occasions, get to do a lot of horseback riding, and they love to sing. Maybe you've seen or heard the "Lumberjack Song." You'll never meet a nicer bunch of gendarmes that the Royal Canadian Mounted Police.

On the subject of lumberjacks, they have a lot of them in Canada, and even have their own theme song called The Log Driver's Waltz. It's a catchy tune, and you can watch it on social media to start learning the words. Once you get that song down pat, you can move right along to God Save the King, Oh Canada, and for extra credit, The Maple Leaf Forever.

Their politics are lively. Whereas we use the congressional system, they have a Parliament where elected members sit on long benches on opposite sides of a big room. There is considerable real estate between them, just in case things get a bit too heated. They debate back and forth, sometimes hurl some dandy insults, and at the end of the day go off to their dining room for a few bumps of Newfie Screech.

The nice thing is that they have a maximum of five years between elections, but it is variable. If they manage to elect a real dunce as their Prime Minister, they can show them the door through a vote of no confidence. Joe Clark, from Alberta rose all the way up from being the Minister for Fisheries to PM, but he only lasted about 9 months. Kim Campbell takes the record for the shortest tenure - from June until November in 1983 when she was given the Royal Order of the Boot out of office. The Honourable Members then made her their nation's first ambassador to Disneyland.

It gets even better. The Prime Minister gets to call for an election at any time during the five years in office. There is none of this perpetual campaigning business that goes on for years in this country. Six weeks after the announcement, the vote is held, and the winter becomes the PM the next morning. And they have a spending limit which would handle our campaign financing crisis, too.

Overall, there is one serious and troubling thing about petitioning to become part of Canada. The nation has this ethos of "Good." Canada the Good, they sometimes call it. They try to be a good neighbor to the rest of the world, good neighbors to each other, and good citizens who look after people, the environment, and business. If they are going to let us in we're going to have to promise to be on our best behavior, polite, use good manners, say please and thank you, and that sort of thing.

They have been so successful at it that most citizens realize guns aren't necessary to resolve things. It happens, but rarely, such as when my cousin Barbara Stoppel was shot in 1981, and there have been a few others since that time. Right now, when our President talks of taking over the Great White North, they aren't arming their militias; everyone is practicing a hockey maneuver used when checking an opponent against the boards - sharp elbows. If you hear the phrase "Elbows Up" look out.

I hope it warms up soon, because maybe our President and their Prime Minister can meet up somewhere on the border and have their aides open up a card table and chairs, open a nice cloth and we'll bring some hush puppies and grits and they can bring some poutine and Timmy's (Tim Horton donuts). Maybe we'll forget this idea of taking over another country and just agree the best thing for the world is for all of us to be good neighbors.

LETTERS TO THE EDITOR

Truth Cannot Be Revealed – A story must be told

Dear Editor:

Media discussion, to the point of madness, continues to blather. Top officials texting each other openly, using the 'Signal' app!

The story begins:

Jeffery Goldberg stands quiet and proud as many others refer to the mistakes made in 'group texting' of sensitive military information. As intended, all overlook the primary mistake, made by the Buffoon-in-Chief; All are self-serving opportunists, willing to compromise everything for personal recognition, of course.

This STRATEGY was THE mistake. To offer an individual deserving of my retribution, a choice kernel of exclusive knowledge, irresistible to anyone's opportunist nature! Then, lest it be cast back upon me, a minion of mine is directed to include a journalist to be duped into national, nay global, embarrassment. Discreetly invite them into the discussion among the decision makers on this developing military operation. Who could possibly resist such an opportunity? My deniability is assured.

What, pray tell, could go wrong?

John 'Ric' Curtis

School of Choice improves education

Dear Editor:

Attempting to understand the United States Constitution in today's word salad is turning out to be very challenging. Why? Because the words in the original document have had their word meanings modified to fit a method of redefining what was intended. The two words in question for me are "general welfare". General welfare in the Constitution: The phrase "general welfare" appears in the Preamble of the Constitution and in Article I, Section 8. Examples of general welfare programs:

Public health, safety, and morals

Social insurance programs like food stamps and family allowances

Laws that provide clean air and water

Laws that provide health care for all

Laws that provide equal educational opportunity

Laws that provide safe highways, bridges, and tunnels

To my surprise these two words have been under analysis for hundreds of years. In the Preamble, General Welfare refers to the health, safety, and prosperity of a society as a whole. It's also known as the public welfare, public good, or common good.

Are you surprised finding Public morals and equal educational opportunities are areas to be provided to society as a whole. And, these welfare programs are to be provided by the Government for the whole, everyone.

In my opinion, the area of Public morals is a complete failure; this failure is the result of special people with the proclivity for rampant drug usage, … and tax payer funding thousands of yearly Michigan's abortions, pornography, and sex trafficking operations. Some Michiganders view these behaviors as very good and a plus to attract people to move to Michigan? Special Michiganders vote for these moral failures too.

In my opinion, providing equal educational opportunities to the whole of society is absent. Notice, the phrase "society as a whole" has been redefined so only some receive equal educational opportunities. Students in K-12 grade level scores are sub-standard highlighting continued failures. Parents wanting the best education for their children are denied access to other educational options because better options are not affordably. As a result, parents wanting a better education are forced into the sub-standard status quo educational failures. Substandard education sucks. To be clear, scores of K-12 children continue the downward trend. Michigan leaders only have lip service; having no plan to fix educational failures. The motto, "spend more get less" is in vogue.

Most families do not want their K-12 children exposed, some say indoctrinated, taught anti United States cultures of hatred. However, many collages have and are currently celebrating the evil teachings and behaviors of Hammas, Hezbollah, Houthi, … and Iran. It appears colleges are producing K-12 teachers who have learned to hate the United States and law abiding citizens. However, many college and K-12 educators believe the United States is an evil country and are actively teaching in K-12 public schools. Deviant immoral studies abound. Greatly diminished educational opportunities remain today, no changes.

Of course, private schools, religious schools, … home schools, preschoolers families must self fund their children's education. They are forced to pay for public schools too. It seems, education for society as a whole means only some of society are supported; others receive no "general welfare", no Common Good.

How about a simple solution to a simple problem? Let parents send their children to schools of their choice. Let higher K-12 children scores be the measure of success. Done and Done.

Letters to the editor

State of the Union

Dear Editor:

I was born in the 1950's and grew up in a Dutch Calvinist Republican home. My family went to church twice on Sundays. My grandfather was a minister. He led efforts to resettle Hungarian refugees in 1956 after Soviet tanks rolled into Budapest. He was friends with Rep. Gerald R. Ford, later President Ford. I was raised to oppose Communism and dictatorships.

In a recent moment of nostalgia, I visited the American Presidency Project on the web and read the Republican Party Platform of 1956. It is a forty (40) page document. In 1956, President Eisenhower was re-elected. He received 457 electoral votes and 57.4% of the popular vote. President Eisenhower received a bona fide mandate.

Of note, the 1956 Republican Party Platform stated that Republicans stood for the following: 1. In all those things which deal with people, be liberal, be human. Pg 2. 2. Basic to governmental integrity are unimpeachable ethical standards and irreproachable personal conduct by all people in government. We shall continue our insistence on honesty as an indispensable requirement of all public service, Pg 2. 3. We are proud of and shall continue our far..reaching and sound advances in matters of basic human needs - expansion of social security... better health protection of all our people. Pg 2. 4. To promote peace and freedom throughout the world, ... assist friendly countries. Pg 3. 5. We shall continue vigorously to support the United Nations. Pg 4. 6. Governmentmust _have a heart as well as a head. Pg 6. 7. We stand for forward looking programs. Pg 8 . .• 8. Vigorous enforcement of antitrust laws. Pg 9. 9. Assure equal pay for equal work regardless of sex. Pg 11. 10. Republican action created the Department of Health, Education and Welfare~ Pg 12. 11. We shall continue to seek extension and perfection of a sound social security system. Pg 14. 12. Continue and expand the Republican sponsored school milk program, to encourage further use of the school lunch program, ... Pg 17. 13. We condemn improper use of money in political activities. Pg 19. 14. Bring our immigration policies in line with the dynamic needs of the country. Pg 23. 15. Today (1956) -The Communist aggressors have been denied their goals. Pg 24. 16. NATO will provide a means for coordinating the policies of member states on vital matters, such as ... general policies in relation to the Soviet Union. Pg 26. 17. Relations with Soviet Russia -In Geneva, President Eisenhower made clear our determination not to purchase peace at the price of freedom. Pg . 27. 18. We support a policy of impartial friendship for the peoples of the Arab states and Israel to promote a peaceful settlement of the causes of tension in the Middle East. Pg 28. 19. Barriers which impede international trade and the flow of capital should be reduced. Pg 29.

There was no mention of or promise to "Own The Libs" at the cost of party integrity or character.

I watched President Trump's State of the Union speech on March 4th. It left me feeling sad. I grew up hearing ministers quote Jesus Christ and teaching that our nation would be judged as set forth in Matthew 25: 31-46. I remember my parents punishing me for telling lies. Lying was a bad thing. It hurt thinking that what I was hearing had to be fact checked. President Ronald Reagan said that we had to "Trust But Verify" what we heard from the Russians. I now feel that I have to verify everything I hear from Washington DC. I did fact check after the President's speech to verify if what was said was truthful. You should do so too every day.

Of note for me was the commentary on Social Security. I realize that we live in a post literate society. If you are reading so far, thank you. The venomous snake of misinformation slithered out too often on Tuesday night.

President Trump said: 1. "Believe it or not, government databases list 4.7 million Social Security numbers from people aged 100 to 109 years ·old." 2. "It lists 3.6 million people from ages 110 to 119. 3.47 mil. lion people from ages 120 to 129. 3.9 million people from 130 to 139. 3.5 million people from age 140 to 149, and money is being paid . to many of them." (Emphasis added.) (Actually, the SSA I found shows 89,000 people age 99 or over were receiving Social Security benefits in 2024 which is not even close to the millions and millions Trump invoked.) 3. "1.3 million people from age 150 to 159 and over 130,000 people, according to Social Security databases, are age over 160 years old." 4. "1,039 people between the ages of 220 and 229, one person between. the ages of 240 and 249, and one person is listed at 360 years of age."

The above words of President Trump are shocking. He said that "... money is being paid to many of them."

In the spirit of President Reagan, I would love to trust but need to verify.

You should know that dead people lack any Constitutional rights. None. The Freedom of Information Act (FOIA) and Privacy Act (PA) end privacy at death. Please help me find out the actual names and addresses of the purported dead people receiving Social Security retirement benefits.

I have in the past written to my Congressman. He does not respond to me. I would like to first find out the names and addresses of those dead recipients over the age of 220 years. This is a manageable 1,041 people.

Please help me by writing to Rep. William "Bill" P. Huizenga at either a) 170 College Avenue, Suite. 160, Holland, MI 49423, or b) 2232 Rayburn HOB, Washington, DC 20515. Ask him to provide the names and addresses of folks over age 220 years receiving Social Security benefits. In addition, please ask him to confirm IN WRITING that he is not going to vote in any way to cut Social Security retirement benefits nor cut Medicare nor gut Medicaid.

In 2016, Rep. Huizenga chose to follow President Trump. During the campaign, Rep. Huizenga introduced himself at rallies as "a Christian, a conservative and a Republican, in that order." Christian first. After the election, he was seen joyfully going to the White House and Mar-a-Lago. I have found no instances where he voiced disapproval over anything President Trump has said or done. Rep. Huizenga, to my knowledge, has never voted in opposition to anything President Trump has wanted.

On Friday, March 7, 2025, Rep. Huizenga chose to cancel his in-person Town Hall, opting instead to go virtual. He excused his cancellation saying voters in person were "funded and organized by outside partisans." To my knowledge these folks were not from outside his district. To this excuse, I submit that Sen. John McCain never hid from his constituents or "outside partisans." I submit, Rep Huizenga might want to Man Up. Rep. Huizenga, further said by way of excuse, that he is elected to "use my experience, my judgment, and then to make tough decisions." It's somewhat obvious that constituents do not trust his judgment and he needs to find the courage to speak truth to power. I miss Representative Fred Upton. He knew what it meant to take an oath and have honor.

I sincerely appreciate your bearing with me and helping me to learn the truth. I cannot bear hearing anymore guys repeating false narratives over beers in a local bar or over coffee at the local restaurant.

P.S. President Trump also said that $8 million was spent federally for making mice "transgender". I looked this up too. Not true. There were "transgenic" studies in mice for investigating many problems in virology and immunology. Transgenic, not transgender. Someone thinks we are stupid.

PSS For decades, Congress has tried to do away with the Social Security tax cap. $176,100 is the maximum amount of earnings subject to Social Security tax in 2025. Elon Musk reached that cap of $176,100 within the first few minutes of 2025. The cap needs to be removed which will increase funding. Rep. Huizenga needs to be our champion, not just a seat warmer for President Trump and Elon Musk.

LIVING WITH GRIEF

BY RONNIE EWING/ AFTERCARE SPECIALIST

LIVING WITH GRIEF, is a monthly column provided by Gorden Funeral Residence. Each month LIVING WITH GRIEF will feature some helpful advice, as you the reader move forward in your own personal grieving process, or simply want to be educated to help those whom you may know have recently experienced a loss, or traumatic event.

I've heard it said, "Sensible people don't say anything when they should say something." Humanity is funny that way. How often are we in a place of hearing a cry for help but more open to give a deaf ear to justify the saying, "Well, that's the first I am hearing this." People are funny that way.

Victim mentality is really a cowardly response to not stepping up. Always looking for someone else to blame. That might sound a bit harsh, but, you can do either one of two things. In some cases I have personally learned you can run around the same tree and still desire a different result. Or, step up, remove the tree and burn the timber. What I am trying to say is this. When you notice negative behavior in others but do nothing, your just as guilty in aiding with the trauma that is so consuming one's liberation. Often those who notice wrong behavior, or emotional injustice are the one's to truly make the difference, LIVING WITH GRIEF.

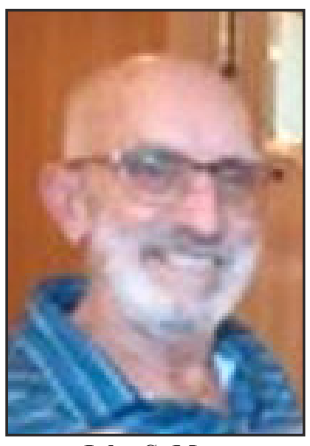
Gorden Funeral Residence

Obituaries

John S. Metz, 71

It is with great sadness that we announce the passing of John S. Metz at the age of 71 on Thursday, March 13. His passing was quiet, just like how John lived his life.

He was loved by his wife, Mary, for one month shy of 41 years. He was a beloved father, father-in-law, and grandfather. His passing leaves behind his devastated sons Michael (Caitlin) and Steven (Melissa) as well as his grandsons John, Logan, Bryson, and Jack. He is also survived by his brother Don (Jackie) Metz, sisters Rosanne (Ken) Ferguson and Joyce (Scott) Miser, his sisters-in-law Carole Steigenga, Nancy (Gary) Shuert, and Pat Rhodes, and numerous nephews and nieces.



John S. Metz

Originally from Fennville, MI, John lived most of his adult life in Phoenix, AZ. John was the proud owner of Metz & Associates for 18 years and loved his life both before and after retirement. He enjoyed reading and taking cruises with his wife. He also adored the outdoors, golfing for many years with friends and hiking both local mountains and the Grand Canyon. He recently began fishing again, though he was convinced that Arizona had no fish to be caught. He loved trips up north, both with his wife and when the family could all come together. The thing that brought John the most joy was spending time with his family.

A private celebration of John's life will be held as per his wishes.

CITY OF ALLEGAN

PLANNING COMMISSION
NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE the Planning Commission of the City of Allegan, Michigan, shall hold a public hearing on Monday, April 21, 2025, at 6:00 p.m. at City Hall, 231 Trowbridge, Allegan, MI to consider the following matters:

1. A complete replacement of the City of Allegan Zoning Ordinance with a new draft zoning ordinance developed over twenty-two months of deliberation and collaboration by the Planning Commission, City Manager, and planning staff. Said draft ordinance was developed in accordance with the goals, objectives, and data included within the 2023 City of Allegan Master Plan. The City welcomes your participation and feedback at a public hearing to recommend, recommend with changes, withhold recommendation, or postpone recommendation of adoption to the City Council.

2. A complete replacement of the City of Allegan Zoning Map with a new draft zoning map developed as part of the draft zoning ordinance. Said map will replace the existing zoning districts with new zoning districts established and described within the draft zoning ordinance. The City welcomes your participation and feedback at a public hearing to recommend, recommend with changes, withhold recommendation, or postpone recommendation of adoption to the City Council.

3. Such other and further business as comes properly before the Planning Commission

A copy of the applications and other related materials is available for viewing at City Hall during regular business hours. Questions and comments regarding this petition may be submitted prior to the Public Hearing to the Zoning Administrator at 1575 142nd Ave. Dorr, MI 49323 or calling 616-888-6156.

PLEASE TAKE FURTHER NOTICE the City of Allegan will provide necessary, reasonable auxiliary aids and services at the hearing to individuals with disabilities upon five (5) days written notice to the City Clerk at 231 Trowbridge Street, Allegan, MI, 49010 or by phone at 269-673-5511.

JOEL DYE, MANAGER
CITY OF ALLEGAN
269-673-5511

NOTICE

OF PROPOSED COMMUNICATIONS TOWER CONSTRUCTION

Horvath Towers VI is planning to construct a communications tower in Allegan, Michigan. Horvath Towers VI has petitioned the Federal Communications Commission for an Antenna Structure Registration utilizing Form 854 with a filing number of A1310680. The tower is located with an approximate address of +/- 4461 104th Ave. Allegan, MI 49010. Coordinates of the location are 42° 27' 11.5" N, -85° 58' 39.0". The project consists of the construction of a 197' tall self-support tower plus appurtenances. The ground space will be developed with a fenced in compound measuring 100' x 100'. The tower will not be lit. Interested persons can review this application by going to: www.fcc.gov/asr/applications and entering the Form 854 file number of A1310680. Persons who may have environmental concerns about this structure are able to raise such concerns by filing a Request for Environmental Review with the Federal Communications Commission. The Federal Communication Commission strongly encourages interested parties to file a Request for Environmental Review. Interested persons can file a Request for Environmental Review at www.fcc.gov/asr/environmentalrequest. If you would rather mail in a paper copy you can do so to: FCC Requests for Environmental Review, Attn: Ramon Williams, 445 12th Street SW, Washington, D.C. 20554.

Girls Track Preview:

By Jason Wesseldyk
Sports Editor

ALLEGAN

Coach: Mike Chalupa

Top returning athletes: Maddie Antkoviak (throws, high jump, relays); Neveah Biller (throws, sprints); Bailee Dilley (pole vault, relays); Dawn DeGood (throws); Jayden VandenAkker (hurdles, relays).

Season outlook: Jayden VandenAkker followed up a fabulous freshman season with a sensation sophomore campaign, earning All-State in both the 100-meter hurdles (fourth) and the 300 hurdles (sixth).

Now a junior, VandenAkker hopes to continue to add to her list of accomplishments.

"Jayden has proven herself as a dominant force in both hurdles," Allegan coach Mike Chalupa said.

In addition to VandenAkker's exploits in the hurdles, an area of strength for Allegan should be pole vault and the throws. Bailee Dilley leads the way in pole vault, while Maddie Antkoviak and Dawn DeGood are poised for a big season in the throws.

"Bailee has improved leaps and bounds in the pole vault and is excited to make a push for the state meet this year," Chalupa said. "Maddie and Dawn have gotten stronger each season in the throws, and after great finishes to the season last year, are looking to push up in their finishing places at both the conference and regional meets."

For all of the athletes on his team, Chalupa said the focus will be on making consistent progress on a day-to-day basis.

"As a team, we know it is tough to go out and win meets with so few athletes, but we talk about the importance of being competitive where we can and maximizing our points as a team," Chalupa said. "They have shown that they are a determined and hard-working group in the early season, and we will look to build on that attitude this year.

"They are a great group and I know that the work ethic they possess will help them reach their goals and result in accomplishments to celebrate."

FENNVILLE

Coach Josh Sliter

Top returning athletes: Lila Rosema, sr. (jumps, mid-distance); Ava Ellis, sr. (jumps, mid-distance); Sara Skinner, sr. (pole vault, mid-distance); Josylin Zamora, sr. (jumps, sprints, mid-distance); Samantha Giles, jr. (distance, mid-distance); Isabelle Sliter, soph. (distance, mid-distance); Sanija Ballman, soph. (sprints, hurdles).

Season Outlook: As he enters his first season as head coach in Fennville, Josh Sliter is hoping to start a new chapter for the Blackhawk track and field program.

"With the new program direction, we are looking forward to building toward the future of our program," said Sliter, who previously coached track and cross country for Fennville Middle School and was a high school assistant coach last season. "This season will be a year of growth and challenge as we lost a lot of senior leadership at the end of last season, and with no incoming freshman it will be a total team effort each meet."

Sliter expects the distance/mid-distance events and jumps to be Fennville's primary areas of strength this season.

Sophomore Isabelle Sliter leads the way for the distance crew, while seniors Lila Rosema and Ava Ellis are the top high jumpers. Rosema and Ellis also both run mid-distance events.

"Isabelle is expected to be a top performer in the conference and region during her sophomore campaign, capitalizing on her success from her freshman year season as well as her accomplishments on the cross country course and indoor track," Josh Sliter said. "Lila and Ava look to compete at a high level in the high jump after success during their junior year."

Josh Sliter will rely on that trio and the other core members of the team to provide leadership and points throughout the season.

"We expect our core group of returners to lead the way and excel in their individual events while pulling together as a team to inspire the newcomers and middle school runners," he said.

HAMILTON

Coach: Travis Pertner

Top returning athletes: Bella Tamminga, sr. (pole vault, sprints); Hailey Brinks, sr. (throws); Jenna Dozeman, jr. (mid-distance, long jump); Izzy Friedreichsen, jr. (sprints, high jump); Hannah Glupker, sr. (sprints, high jump); Sarah Kelley, jr. (throws); Alyssa Pelon, sr. (throws, long jump); Sienna Troke, sr. (mid-distance); Lauren VanOmmen, sr. (throws).

Season Outlook: As a junior last season, Bella Tamminga qualified for the Division 2 State Finals in pole vault.

Longtime Hamilton coach Travis Pertner is expected Tamminga to build on that success this year.

"When I look at our team, I think the field events will be an area of strength for us, especially with Bella leading the way at pole vault," Pertner said.

Senior newcomer Maya Ludema, sophomore newcomer Madelyn Balder and freshman Addyson Beidler add depth at pole vault.

That group will try to help the Hawkeyes improve on their results from last season, when they went 0-7 in the OK Blue and placed sixth at regionals.

"Our field events overall are very decent," Pertner said. "We will be challenged this year in some of the running events, especially the hurdles."

In terms of the conference outlook, Hamilton is now in the OK Black following realignment. Pertner views Zeeland East as the team to beat.

"Our dual meets with all team are very challenging and our finish (in the league) will likely be towards the bottom of a seven-team league," he said. "This is the most talented girls track league I have seen in 32 years of coaching track and field."

HOPKINS

Coach: Phillip Moerdyke

Top returning athletes: Sophie Baker, soph. (hurdles, long jump); Ellarie Baugh, jr. (sprints, long jump); Keilah Bonga, soph. (throws); Andrea Brower, soph. (hurdles, relays); Lillian Dewey, soph. (distance, mid-distance); Myah Duimstra, sr. (distance, mid-distance); Olivya Ezell, sr. (throws); Riley Homrich, sr. (sprints); Navaya Ingle, sr. (sprints); Kaylee Katje, soph. (distance); Kambria Moored, sr. (hurdles, sprints); Grace Schumacher, jr. (distance, mid-distance); Leah Schumacher, sr. (throws); Ava VanderVeen (sprints); Elliot VanderVeen, soph. (sprints).

Allegan's Jayden VandenAkker earned All-State in both the 100 and 300 hurdles last season. (File photo)

Season Outlook: The last two years have been good one for Hopkins, as the Vikings placed third in the OK Silver in 2023 before winning the league title last year.

Hopkins coach Phillip Moerdyke believes his team has the ability to keep that run of success going this season.

"We are hoping to continue the success we have established the last two years," he said. "We expect to run strong in the OK Silver and have aspirations for a top finish in the conference. Our team is the perfect mix of experience and talent, and as we develop this crew, big things are in store for them."

The return of a pair of All-State performers should help the Vikings' cause.

Senior Kambria Moored was sixth in the 100-meter hurdles, while junior Riley Homrich was eighth in the 100-meter dash. Moored also competed in two other events at the State Finals, with Homrich competing in a total of four events.

ALLEGAN

Coach: Mike Chalupa

Top returning athletes: Sylar Bush, sr. (pole vault, sprints); Jacob Cranmer, sr. (sprints); Colby Bishop, soph. (sprints/jumps); Oliver Burnett, soph. (distance); Kellen Chalupa, soph. (distance); Hunter McKee, soph. (distance); Cooper Prentice, soph. (distance); Ezra Smith, soph. (pole vault, sprints)

Season Outlook: There's a song called "Ac-Cent-Tchu-Ate the Positive" that appeared in the 1944 movie "Here Come the Waves" and features the following lyrics: "You've got to ac-cent-tchuate the positive—E-lim-i-nate the negative."

That's exactly what Allegan coach Mike Chalupa is doing as it pertains to his team heading into the 2025 season.

Because while the Tigers have low participation numbers this year, Chalupa believes Allegan still has the opportunity to put together a solid showing this season.

"We're looking for depth and competitive performances where our strengths lie," Chalupa said. "Small numbers hinder us, but we have some standout performers in multiple individual events. We are looking to build on those strengths and have success individually, in relays and as a team.

An area of strength for Allegan should be the distance events, led by the likes of sophomores Kellen Chalupa, Oliver Burnett, Cooper Prentice and Hunter McKee.

"We're looking to see where some of our newcomers fit in and hoping to build on our depth in the distance events," Mike Chalupa said.

Allegan finished 2-3 in the SAC duals last season and placed 16th at the league meet.

"We are looking to fight hard, maximize points where we should be scoring and stay competitive within the conference overall standings," Mike Chalupa said.

Abatu Dykstra is one of several seniors back for Hamilton this season. (File photo)

FENNVILLE

Coach: Josh Sliter

Top returning athletes: Quinn Rosema, sr. (long jump, sprints); Erick Morales, sr. (throws); Trinity Solis, jr. (sprints); Jorge Espino, jr. (sprints); Carter Thompson, jr. (mid-distance, sprints); Ashton Holcom, jr. (sprints, throws); Atticus Boeve, soph. (mid-distance, distance); Calvin Giles, soph. (throws); Jaciel Ruiz, jr. (mid-distance, distance); Isreal Arrendondo, soph. (throws); Hugo Sanchez, jr. (mid-distance).

Season Outlook: As he heads into his first season as head coach for Fennville, Josh Sliter like what he sees.

"We have a strong team in most areas and look to compete well in the conference," he said. "Our throwers are working hard every day and have also shown a willingness to jump onto the track as part of a sprint relay.

"Open races at all distances will have a lot of positives and while our jumps crew is small, they are getting better each day."

Senior Quinn Rosema will lead the charge in the long jump and sprints, while juniors Carter Thompson and Hugo Sanchez are poised for strong seasons in the 400.

"Our sprint relay teams are also going to contend this season," Sliter said. "And Atticus Boeve and Jaciel Ruiz are already making gains in the 800, 1,600, and 3,200 and look to have success this season.

"Overall, I expect this to be a positive season of growth and success with an excited freshman group and strong leadership at all events," Sliter said. "As the new head of the program I am working with our coaches to set goals and elevate the expectations of Fennville track and field."

The primary goal, according to Sliter, is to help each and every member of the team reach their full potential.

"This should be a fun season full of new personal records and positive competition as our student-athletes work toward their team and personal goals," Sliter said.

HAMILTON

Coach: Matthew Field

Top returning athletes: Abatu Dykstra, sr. (distance, mid-distance); AJ Friedriechsen, sr. (hurdles); Brett Schrotenboer, sr. (sprints); Jeren Bronkhorst, sr. (sprints); Lincoln Phillips, sr. (hurdles, jumps), Logan Eding, sr. (throws); Noah Hernandez, sr. (distance, mid-distance); Hudsen Hulst, jr. (hurdles).

Season Outlook: With the retirement of longtime coach Kevin Spotts, assistant coach Matthew Field as taken on the head-coaching duties in Hamilton.

The distance events should be an area of strength for Allegan this season. (Photo provided)

He inherits a team that won the OK Blue championship, placed second at regionals and was third at the MITCA Team State meet.

And with a senior-laden team that includes the likes senior distance runners Abatu Dykstra, Noah Hernandez and Ben Dykstra, Field sees no reason why this season won't also be a success.

And while winning a title in the new OK Black and performing well at regionals would both be nice, Field as the main focus for the Hawkeyes is the MITCA Team State Meet.

"We're excited to compete in the OK Black, and to compete at some competitive weekend invitationals," Field said. "But our team is senior heavy and we're most looking forward to Team State.

"We've been third place Team State the past two years, and we'd like to try and be somewhere in the top half again this season."

In addition to the strong distance crew, another area of strength is the hurdles with Hudsen Hulst, Lincoln Phillips and AJ Friedriechsen leading the way.

"We also have a continuously improving throws crew led by Logan Eding," Field said.

In the OK Black, Field expects the Zeelands—East and West—to be the teams to beat.

"We'll be very competitive in the new OK Black," he said. "We'll see how we stack up against Zeeland East and West.

I'd expect we'll place somewhere in the top three, but every team in the OK Black is good and will challenge us."

HOPKINS

Coach: Jamie Kiss

Top returning athletes: Isaac Aalderink, soph. (throws); Alex Chavez, sr. (sprints); Vijay DeZeeuw, jr. (high jump); Jack Estelle, jr. (distance); Matt Guzman, soph. (sprints); Brayden Harnish, jr. (sprints); Jacob Helder, sr. (mid-distance); Kenyon Katje, sr. (distance); Clayton Kerber, jr. (hurdles); Ezra Koperski, soph. (throws); Gage Martin, soph. (sprints); Joshua Maule, sr. (throws); Isaiah Robinson, soph. (mid-distance); Gavin Schans, soph. (distance); Bryce Stevens, soph. (distance); Isaiah Tuinstra, jr. (hurdles); Cole VerStrate, jr. (distance); Brennan Vilella, jr. (mid-distance); Parker Warners, soph. (jumps); Zac Wierenga, sr. (jumps); Ryan Williams, sr. (mid-distance).

Season Outlook: Last year, Hopkins placed second in the final OK Silver standings.

And with several key performers back this year coupled with a group of promising newcomers, longtime Hopkins coach Jamie Kiss believes his team had the potential to be near the top of the standings once again.

"We are a pretty young team, but I see real growth potential with this group," Kiss said. "We finished runner-up in the OK-Silver last year, and this year we are expecting to be contending for the title."

As he looks at his roster, Kiss believes the Vikings will be able to competently cover each event.

"A strength of our team is that we have some talent potential in each event this year, which is why I think we could compete well in the conference," he said. "I see a possible scenario where we could score in each event, so I like that our talents are spread out."

When it comes to the other teams who could vie for the top of the league standings, Kiss expects newcomer Fruitport along with Belding, Calvin Christian and North-Pointe Christian to be in the conversation.

"I think it could come down to a battle between ourselves and Belding at the end of the day," Kiss said.

MARTIN

Coaches: Damon and Caryn Blackburn

Top returning athletes: Kyle Fennema, soph. (sprints); Nick Jager, sr. (hurdles, throws, relays); Gavin Meyers, sr. (hurdles, relays); Alex Morin, sr. (distance, mid-distance).

Season Outlook: As a junior last season, Gavin Meyers missed out on qualifying for the Division 4 State Finals in the 300-meter hurdles by a fraction of a second.

He doesn't want to let that happen again.

"Gavin is hungry to prove himself this year," said Caryn Blackburn, who coaches the team alongside husband Damon Blackburn.

■ see Boys Track, Page B2

Boys track ■ from Page B1

Meyers joins fellow seniors Nick Jager (hurdles, discus, relays) and Alex Morin (distance, mid-distance) as the top returning athletes on a team that definitely skews young.

"More than a third of the team are freshmen," Caryn Blackburn said. "It's a big jump from middle school to the varsity level, so there will be challenges adjusting and stepping up for those athletes. And nearly another quarter of the team is upperclassmen who have never run track before.

"They all have a lot to learn."

Newcomers who could make an impact include sophomore jumper/hurdler Blake Sweeting and junior thrower Peyton Schuring-Harris.

"Our goal is to help athletes realize individual successes throughout the season through growth and performance," Caryn Blackburn said.

OTSEGO

Coach: Steve Long

Top returning athletes: Caleb Wesseldyk, sr. (distance); Kenny Sheffer, jr. (distance); Holten Mulherin, sr. (distance); Logan VanHouten, sr. (distance); Aidan Goodwin, sr. (distance); Gunnar Djerf, soph. (distance); Vonte Boyce, sr. (sprints); Jack Cook (sprints); Zeke Andrina (sprints); Dylan Towne (sprints, jumps); Michael Spitzner (sprints); Kyle Pomeroy (sprints); Alex Robbins (throws); Mike Misner (throws); Max VandenBerg (throws); Carson Brooks (jumps); Cole Kortokrax (jumps).

Steve Long is no stranger when it comes to coaching at Otsego.

The head coach of the school's cross country program for the past 26 years, Long has led the Bulldogs to four state championships.

Now for the first time since 2001, Long is back as head coach of the boys track team, taking over for the retired Julie Tollas.

"I think the biggest goal for this season is establishing a new culture for the program," said Long, who also had two top-10 finishes at the State Finals during a four-year stint with the girls track team more than a decade ago. "The focus is to work really hard and have a lot of fun.

"I'm a big believer in the concept of when we focus on working hard and having fun, the natural byproduct is success."

Distance has long been a strength for the Bulldogs, and that should again be the case with returning seniors Caleb Wesseldyk, Holten Mulherin, Aidan Goodwin and Logan VanHouten along with returning junior Kenny Sheffer and returning sophomore Gunnar Djerf. Senior newcomer Matthew Long, a transfer from Portage Central and Coach Long's son, adds to that depth.

Otsego's Caleb Wesseldyk (left) and Plainwell's Henry Cox battle in a race last season. (File photo)

"When the goal is to create a culture that we can be proud of, there are no weaknesses," Coach Long said. "I've only been with this group (for a short time), and I'm really excited about having a bunch of great young men on this team. I'm really looking forward to a great year."

The Bulldogs placed sixth at the Wolverine Conference meet last season. Steve Long is hoping for a finish in the top half of the standings this year.

"Hopefully, we keep everybody healthy," he said.

PLAINWELL

Coach: Scott Evans

Top returning athletes: Carter Monette, sr. (sprints); Ronald Nunez, jr. (sprints); Trent Hansen, jr. (sprints); Donovan Ryan, jr. (distance); Hiro Hguyen, jr. (mid-distance), Henry Cox, sr. (distance); Will Allen, sr. (hurdles), Sawyer Lilly, jr. (throws); Blake Morehouse, sr. (throws); Adin Young, sr. (throws); Loehn Luckett, jr. (pole vault).

Season Outlook: After losing several key point-scorers from last year's team, Plainwell coach Scott Evans knows he'll need some younger athletes to step up and help fill the gap.

Fortunately, he thinks he has a group that can do just that.

"The freshman class looks great," he said. "I think that they will make an impact this season from the first meet. I look for many of them to be point scorers this season."

In addition to helping the younger athletes on the team develop, a top focus for Evans will be getting the team as healthy as possible.

"We also have a couple of injuries that we are currently dealing with," he said. "I'm a little concerned with the distance and jumps right now. We have some guys that are coming off of injuries, so we are going to take our time getting them back on the track.

"With that said, I think that we will be most meets and should finish in the top half of the conference. I think as the season progresses, we will be improving a great deal and at the end of the season things will be much better."

Evans looks for throws, sprints and relays to be strong.

"Numbers will also help, as we should have around 60 on the team this season," Evans said.

Evans, who led Plainwell to a second-place finish in the Wolverine Conference last year, expects Three Rivers and Sturgis to be among the league's top contenders.

WAYLAND

Coach: Marty Howard

Top returning athletes: seniors—Landon Dunahoo (sprints), Adam Huff (throws), Maurgan Howard (mid-distance), Zach Keena (Mid-distance), Carter Marquard (high jump), Dylan Pallett (distance), Malachi Rodriguez (hurdles), Breslin VandenBos (mid-distance); juniors—Jacob Crater (sprints), Ashton Kuhlmann (throws), Carson Lown (pole vault), Henry Maass (sprints); sophomores—Mason Fein (distance), Gavin Howard (high jump), Alex Hubbard (hurdles), Alberto Mandujano (distance), Jake Reeder (sprints), Justin Springs (long jump), Xander Stepek (mid-distance).

Season Outlook: The expectations are high for this year's Wayland team.

"We are very excited about this group of athletes and have high hope and expectations for them," longtime Wayland coach Marty Howard said.

Among those goals are to win the OK Gold championship, earn an invitation to the MITCA Team State Meet for the fourth straight year and finish in the top three at regionals.

"We also want to get a handful of individuals to compete at the MHSAA State Finals," Howard said.

Returning state discuss champion Adam Huff leads the charge for what Howard expects to be a strong group of field-event competitors.

"Our field events should be really solid," Howard said. "We also have a solid group of mid and distance runners. We need to find some depth at the hurdles races as well as pole vault."

With realignment in the OK conferences, Grand Rapids Northview, Wyoming, West Catholic and Grand Rapids Union are all new to the league.

"We are in a reshuffled OK Gold Conference, so it's hard to predict where we will be until we see what these new additions do," Howard said. "But I do believe we will be in the mix to win a conference title."

***NOTE**: No preview information was received from Saugatuck prior to deadline.*

Hamilton softball sweeps

By Jason Wesseldyk
Sports Editor

HAMILTON—It was a sweep for the Hamilton softball team in its doubleheader against Middleville on Thursday, March 27.

The Hawkeyes won game one 8-3 before taking game two 14-5.

Kianna Vork (10 strikeouts with one walk and seven hits in seven innings) earned the win in the opener, while Kelsey Mersman (seven strikeouts with one walk and 11 hits in seven innings) won game two.

Vork also went 7-for-9 with a double for the day.

"We got two good performances from Kianna Vork and Kelsey Mersman in the circle against an improved Middleville team," Hamilton coach Mark Behnke said. "Kianna was powerful at the plate and the bottom half of our batting order showed glimpses of what they can do and will become.

"This team is connected and learning every single day."

Maleena Luckadoo (5-for-8 with two doubles) and Kendall Cornell (4-for-7 with a double and a triple) also had big days at the plate. Audrey Mast went 4-for-4 in the nightcap, with Taylor Oosterink going 3-for-5 with two triples.

Martin baseball wins

By Jason Wesseldyk
Sports Editor

MARTIN—Junior Haylen Buell was already in mid-season form during the Martin baseball team's season-opening game with Tri-Unity Christian on Thursday, March 27.

On the mound, Buell struck out 14 and limited Tri-Unity to three hits in five innings. At the plate, he collected three hits, including a pair of doubles.

That was enough to help the Clippers collect the 10-0 win.

"Haylen was in total control on the mound, hitting his spots all evening," Martin coach Brad Blauvelt said. "Offensively, we did a good job of getting on base and being aggressive once we got there.

"We had some quality at-bats. It was a good win for the program and a great way to start the season."

Martin scored once in the first inning before adding seven runs in the third inning. A double-run double by Blake Sweeting, a two-run single by Cody Wooten and an RBI single from Buell were the big hits of the inning.

Martin drew six walks as a team and stole 10 bases.

Hawkeye baseball rallies for victory

By Jason Wesseldyk
Sports Editor

HAMILTON—After suffering a pair of losses to Spring Lake the previous day, the Hamilton baseball team hosted Spring Lake for a single game on Friday, March 28.

And it appeared as though the Hawkeyes would drop a third-straight game to the Lakers, as Hamilton fell behind 7-0.

But appearances can be deceiving, as Hamilton rallied to claim the 10-9 win in walk-off fashion.

The game was tied at 9-9 in the bottom of the seventh when Landon VanderSwaag doubled to score Keegan Springer with the winning run.

VanderZwaag finished 3-for-5, while Clay Blauwkamp was 3-for-4 with three RBI. Breslin Nykamp and Brett VanderKooi each collected two hits and had multiple RBI.

Owen Brown started the game on the mound and after a rough first two innings pitched three consecutive scoreless frames. Mark Brower and James Hoffman combined to pitch the last two innings, with Hoffman credited with the win.

On Wednesday, March 26, Hamilton beat Saugatuck 6-1 and 3-0 in a doubleheader.

Carter Basinski struck out 12 and allowed just one hit in the opening game, while Dakota Breuker struck out five and allowed a hit in game two.

Girls track ■ from Page B1

"We also have most of our state-qualifying 4x100 relay team returning, along with state-qualifying thrower Keilah Bonga," Moerdyke said. "Navaya Ingle will also be back to assist our long sprints and we look forward to some excellent performances by our long jumper Ellarie Baugh."

It's a group of athletes Moerdyke believes will once again be able to challenge for the top spot in the OK Silver.

"With the talent we currently have, we are shooting to be top tree in the conference," he said. "Belding is always in the mix in terms of the top teams, and Fruitport brings a strong group of distance runners. We will put up strong showings against them, and if the cards fall right, we hope to win another OK Silver Championship."

MARTIN

Coaches: Damon and Caryn Blackburn

Top returning athletes: Veyda Conley, soph. (distance, mid-distance); Kayden Jager, soph. (mid-distance, distance); Sarah Schipper, soph. (sprints, mid-distance); Torryn Harris, jr. (sprints, mid-distance); Ellyse Blackburn, sr. (sprints); Emily King, sr. (sprints, mid-distance).

Season Outlook: Last season, Martin sent three relay teams to the Division 4 State Finals, with then-freshman Veyda Conley also qualifying individually in the 1,600 and 3,200.

With all of those athletes returning, Martin co-coach Caryn Blackburn is optimistic that this will be a successful season for the Clippers.

"Ultimately, we want to have a strong showing at regionals when it really counts and send several athletes to the State Finals," Blackburn said.

In addition to her two induvial events, Conely was part of the 4x800 relay team that competed at state along with senior Emily King, junior Torryn Harris and sophomore Sarah Schipper. King, Harris and Schipper were also part of the state-qualifying 4x100 and 4x400 relay teams, with senior Ellyse Blackburn rounding out the 4x100 and 4x400 teams.

Ellyse Blackburn also just missed out on qualifying for the State Finals in the high jump.

"Our overall participation numbers are strong this year," Caryn Blackburn said. "We have a lot of capable athletes on the roster, so we won't leave many events unfilled."

When it comes to the SAC, Caryn Blackburn believes the Clippers can be competitive with some of the larger schools in the league.

"With so many large schools in the SAC, it is an upward battle for us as a team," she said. "But we plan to start strong and build up. It is always our goal to finish toward the top of the conference."

OTSEGO

Coach: Justin Scott

Top returning athletes: Jazmyn Adams, soph. (sprints, jumps, relays); Isabella Bailey, sr. (throws); Abigail Christman, soph. (sprints, relays); Madden Fitzpatrick, soph. (throws); Emma Hoffman, jr. (distance); Olivia Klimp, soph. (hurdles, jumps, relays); Taylor Klimp, sr. (distance, vault); Jordan McKague, soph. (sprints, relays); Skylar Mejeur, soph. (distance); Taylor Mitchell, sr. (distance); Rebekah Stachura, jr. (distance).

Season Outlook: Junior Emma Hoffman enters the season as one of the top distance runners in the state, earning All-American status for indoor track after placing second at the Division 2 State Finals in cross country.

Hoffman heads up a distance crew that should once again be the primary area of strength for Otsego.

"This season we will be very strong in the distance races both in terms of depth and in terms of scoring potential," Otsego coach Justin Scott said. "Emma has two very successful track seasons behind her, and I feel she is standing on the precipice of an absolutely monster junior campaign. She will lead the way for our distance group but will most certainly not be going it alone."

Other members of that distance group include seniors Taylor Mitchell and Taylor Klimp, junior Rebekah Stachura and sophomore Skylar Mejeur.

"All of those girls contributed a good deal to our success a year ago and should play important roles for us again," Scott said. "(Sophomore) Madeline Goodwin also really came on strong towards the end of the season last year. If she can carry that moment over, she will be able to contribute a lot to the success of our team."

A challenge for Otsego will finding a way to replace the points lost due to graduation.

"We graduated a lot of our personality and leadership at the end of last season," Scott said. "We are young overall, and there are a lot of new people to our program. We need to figure out a little bit about who we are and what we want to be moving forward.

"I think this year our goals will largely center on figuring out what it means to be competitive and to focus our efforts and attention on getting better every day. I think wins are possible, but they will come as a result of the process of focusing on the little things needed to make ourselves better across 17 events."

Last year snapped a string of seven straight Wolverine Conference titles for Otsego (not counting the 2020 COVID season), as the Bulldogs finished second to Sturgis.

Scott expects Sturgis to be the team to beat this year as well.

"This year in the Wolverine Conference, I don't see there being a lot of drama and suspense when it comes to crowning the champion," he said. "But I do think there will be a lot of fun to be had when it comes to figuring places two through eight.

"There are a lot of strong athletes returning across the board, and every one of the schools in our league features phenomenal coaching. I can see the battle for second place being a last event on the last day type of struggle.

NOTE: *No preview information was received from Plainwell, Saugatuck or Wayland prior to deadline.*

Martin's Veyda Conley competed in three events at the D4 State Finals last season. (File photo)

Allegan tennis hosts rainy tourney

By Jason Wesseldyk
Sports Editor

Allegan girls tennis coach Damien Arthur was looking forward to a full day of tennis when his team hosted the eight-team Allegan Invitational on Saturday, March 29.

The weather had other ideas.

"We were off to a great start until about 11 a.m., and that's when the rain came," Arthur said.

Following a three-hour delay, play resumed … until the rain came back an hour later.

The tournament then moved inside the Allegan field house so every player could compete one match before the event was declared over.

"Not the way we wanted the event to go, but that's Michigan weather in March," Arthur said. "We had some great teams in from all across the state."

Those teams were South Christian, NorthPointe Christian, West Catholic, Black River, North Muskegon, Portland and Wixom St. Catherine.

Earning wins for Allegan were: No. 1 singles Addy Fales (6-1, 6-1 over North Muskegon); No. 2 singles Judith Ducurau (6-4, 6-3 over Black River); No. 1 doubles Taylor Fuller/Hanna Kievit (6-1, 6-0 over Portland); and No. 3 doubles Sophia Augustine/Emma Scheffler (6-2, 6-0 over Portland).

Two days earlier, Allegan traveled to Holland to take on Black River in a dual meet and won 7-1.

The Tigers swept the singles flights, with No. 1 Fales, No. 2 Ducurau, No. 3 Kendall Halstead and No. 4 Jazmin Fodor all winning.

In doubles, the Tigers got wins from No. 2 Madison Cook/Kaylee Haas, No. 3 Augustine/Scheffler and No. 4 Lilli Kelley/Shy Thompson.

Girls soccer results

By Jason Wesseldyk
Sports Editor

Fennville 1 Delton 3

Fennville traveled to Delton on Monday, March 31, a came up on the short end of a 3-1 decision.

Nadia Perez accounted for the Blackhawks' goal, with Christina Mendoza credited with the assist.

Plainwell 3 Hudsonville 2

Alayna Eldred put on quite a performance in Plainwell's non-conference clash with host Hudsonville on Thursday, March 27.

Eldred scored all three of the Trojans' goals to lead her team to the 3-2 victory.

The win evened Plainwell's record at 1-1.

Saugatuck 7 Bangor 0

Following a tough loss to Hamilton earlier in the week, the Saugatuck girls soccer team was hoping to get back on the winning track against visiting Bangor on Thursday, March 27.

Mission accomplished.

Neave Rewa and Mariela Garcia each scored two goals to lead the Trailblazers to the 7-0 victory over the Vikings.

Kennedy Gustafson added a goal and an assist, while Lily Hass and Ava Tringali had one goal each. Alina Martinson chipped in with three assists.

Julia Lowry was in goal for Saugatuck and turned away all three shots she faced to earn the shutout.

Otsego 5 Hackett 0

The winning ways continued for Otsego in its non-conference contest with visiting Hackett on Wednesday, March 26.

Leading 1-0 at halftime, the Bulldogs erupted for four second-half goals to claim the 5-0 win.

"Something was a bit off in the first half and we looked flat," Otsego coach Levi Butcher said. "The energy just wasn't right. Not in terms of effort level, but the desire to be first to the ball and really take the game to Hackett.

"After halftime, that all changed. We were still misfiring in the final third a bit, but the competitive level had raised."

Peyton Dennany led the second-half surge, scoring twice to go with an assist. Reagen Engbers and Olivia Witteveen also scored goals, with Lexi Gross, Haylee Dennany and Kara Moore chipping in with an assist.

"We got some attacking contributions from some of our role players, a few of our regular scorers were finding other ways to contribute and three of our girls got on the score sheet for the first time this year," Butcher said.

Moore scored the first-half goal off an assist from Peyton Johnson.

Fennville 6 Lawton 3

Nadia Perez had a multi-goal effort for Fennville in the Blackhawks' contest with Lawton on Wednesday, March 26.

That, however, wasn't enough to lift Fennville to the win, as Lawton earned the 6-3 decision.

Andy Blake picked up the other goal for the Blackhawks, with Andy Blake assisting on all three goals.

Hamilton 1 Middleville 3

Sometimes the final score doesn't tell the whole story of a game.

That was the case in Hamilton's game with Middleville on Wednesday, March 26, according to Hawkeyes coach Colton Johnson.

"We controlled the run of play for large portions, hitting the post three times in the contest," Johnson said. "We were down 2-0 at halftime and made some tactical adjustments and once again continued to control the game with possession and chances but couldn't find the net."

Ella Achterhof scored Hamilton's goal off an assist from Emma Slotman to make the score 3-1 with 12 minutes remaining.

"It was a well-played contest for us, as we put more shots on frame and dominated possession," Johnson said. "The ball just wouldn't roll our way."

Hamilton 7 Saugatuck 1

A quick start by Hamilton helped propel the Hawkeyes to the 7-1 win over host Saugatuck on Monday, March 24.

Hamilton led 3-0 after 15 minutes of play and were up 4-0 at halftime.

"We controlled the flow of the game from start to finish, limiting (Saugatuck) to a couple shots on frame," Hamilton coach Colton Johnson said.

For the Hawkeyes, Ella Achterhof and Joselyn Paskvan each scored three times, with Paskvan also collecting an assist. Grace Sexton had the other Hamilton goal.

Alina Martinson accounted for Saugatuck's goal.

Abandoned Wells

Got one?

The Allegan Wellhead Protection Program is looking for abandoned, unplugged wells.

Abandoned, unused, unplugged wells threaten groundwater resources and public health. Contaminants from the surface such as fertilizers, pesticides or other run off water, can easily move downward through the unsealed, abandoned well and enter the aquifer. These contaminants may end up in your drinking water well, your neighbors well or the local community drinking water wells.

The City of Allegan would like to identify any abandoned, unplugged wells in and around its wellhead protection zone and explore having them plugged. The zone extends east from the city of Allegan along the north side of M-222 east to 24th St.

If you are the owner of the abandoned, unplugged well and would like assistance in plugging the well. Please contact Allegan Water Utilities at 269-686-1117 or by emailing to Doug Sweeris at dsweeris@cityofallegan.org

Faces in the Crowd

By G C Stoppel

We have four seasons here in west Michigan: Winter roads, road repair, road kill, and pot holes. Now that the worst of winter is behind us, and before the orange cones are in place, we are in the Season of Potholes. Your thoughts about this year's crop….

-Man at a gas station on M-89; "I don't think there are as many of this year as in the past, but trust me, they'll never got extinct."

-Man with him, "Yeah, but hey, at least they're good for knocking the snow and ice from under the car."

-Man near the Allegan Public Library: "We got a lot of them for sure, but I don't know if it is much different from other years."

-Woman, near A-tech: "Thank goodness I don't have to wear [high] heals to work like Mother did. Some of the streets are really bad,"

-Friend with her: "I agree. They're in rough shape, and you have to watch where you are going all the time."

-Man near the Huntington Bank: "A friend over towards Pullman had to get new tires because the old ones were in bad shape, and one of them blew when he hit a pothole."

-Couple near Minnie's: "We were talking about that just a few minutes ago. I told 'em that what we ought to do was round up the migrants and make them work off at least part of what they cost us to ship 'em back home. You know, so much an hour. Below minimum wage. As long as they're here, instead of free loading, they ought to pay for their crimes." Woman: "Well, no one liked it, and said it would be cruel and unusual punishment. I don't like your idea, either." Man: "Well, when we get home I'm going to write it out and send it to Trump." She rolled her eyebrows.

-Man near the Allegan Post Office: 'I see them putting down a lot of that cold pack asphalt, but I don't think it does much good. It's okay for a little while, but it doesn't last. But you get yourself a crack in any cement, and it'll keep growing. It's the water that gets in there and freezes."

Peek at the Past

From the pages of The Allegan News and The Allegan County News and Gazette:

April 3, 1950

Stores to close for Holy Rite: Allegan stores and business offices will be closed from 12:45 to 2:45 p.m. Friday so that all may take part in traditional Good Friday church services.

Three-hour union services will be held in the Methodist church of the Blessed Sacrament and the Episcopal Church of the Good Shepherd will also hold rites. All services will start at 12 noon.

Taking part in the union services with prayers and sermons will be Reverends Aldred Halstead, Lawrence Dawson, Richard Ford, Ivan Yerden, Robert Reynhout, Abraham DeYoung and Stuart Werner.

April 3, 1975

Dogs join the Otsego police: The Savage is loose in the City of Otsego.

A big, friendly mis-named German Shepard, Savage is one of two new canine members of the Otsego Police Department—one dog specially trained to sniff out marijuana and hash, and the other to attack on command and track with his nose.

Savage is the narc, and Satan, a back-faced shorter dog, the tracker/attacker.

"Savage is trained to sniff out hash, hash oil and marijuana," said Chief Elton (Jay) Goswick. "We'll use him in raids and for periodic school checks, any time we need his talents.

"To him, detecting and finding marijuana is a game. He'll tear down a wall if he has to to find what he's looking for, but he won't attack a person with stuff on them.

"Oh, he might rip out a pocket or snatch a purse in his search, but to him it's a play thing.

Satan, however, is a dog of another color.

"Satan won't attack, either, expect on command," Goswick said. "And if he's called off, he's friendly as can be again."

April 6, 2000

State office helps woman get pension: Myrna Coryell, 64, knew she qualified for a pension earned by her husband before his death. As she approached retirement age, Coryell began a telephone search in an effort to identify the payer, a search that led her into a maze of companies and offices.

She got nowhere. Records of her husband's employment at Rockwell International might as well have disappeared into thin air.

"I went on for a whole year," Coryell said. "They took me around from one phone number to another."

Enter the Michigan Pension Rights Project. MPRP investigator Catherine Paler-Amaya said her organization's legal status translated into more clout than a private citizen could wield.

"(Coryell) kept getting referred to the next person and the next person and the next person," Paler-Amaya said.

But MPRP cut a swath through the maze and located the responsible payer of the Coryell pension.

Coryell's husband Jerome served as a lathe operator at the Rockwell plant in Allegan from 1963 until his death in 1984 at age 52. Coryell collected a small survivor income benefit from Metropolitan Life Insurance Co. from the date of this death. She worked full time for Meijer, Inc., until recently, when she cut down to part time at retirement.

April 2, 2020

MHSAA honors former Otsego A.D. Garvey: Mike Garvey has spent nearly four decades in the field of education, with the vast majority of those years as a coach or athletic director. During that time, he's tried to help others reach their full potential.

"As a coach and an athletic director, my goal was to help others—from kids to coaches to communities—win awards," said Garvey, who served a four-year stint as Otsego athletic director from 2006 to 2010. "I wanted them to be recognized."

Now, it's Garvey who's being recognized.

The Michigan High School Athletic Association named Garvey the 2020 recipient of their Charles E. Forsythe Award.

The annual award is in its 43rd year and named after former MHSAA executive director Charles E. Forsythe, the Association's first full-time and longest-serving chief executive. Forsythe Award recipients are selected each year by the MHSAA Representative Council, based on an individual's outstanding contributions to the interscholastic athletics community.

Garvey is the second Forsythe recipient in the last three years with ties to Allegan County, as longtime Allegan tennis coach and athletic director Gary Ellis was honored in 2018.

"It's hard to describe what winning this award means to me," Garvey said. "I'm flattered. I'm humbled. I'm excited and proud.

"I know most of the people at the MHSAA and receiving an award from that group of individuals is an incredible feeling."

NOTICE

OFFICE OF THE ALLEGAN COUNTY DRAIN COMMISSIONER
PINE HILLS NORTH DRAIN
NOTICE OF DAY OF REVIEW OF APPORTIONMENTS

DATE: Tuesday, April 15, 2025
TIME: 9:00 a.m. to 5:00 p.m.
LOCATION: County Services Building
Allegan County Drain Office
3283 122nd Avenue
Allegan, MI 49010
QUESTIONS: (269) 673-0440

The Allegan County Drain Commissioner will hold a Day of Review of Apportionments on the above date, time, and location. The Day of Review is an opportunity to review the tentative apportionment of benefits for each parcel and municipality within the Pine Hills North Drain Drainage District with the Drain Commissioner or staff member.

The following is a list of any county, township, city, or village to be assessed: Allegan County and Dorr Township.

At the Day of Review:
• No appointment is necessary.
• The Drain Commissioner, engineers and/or other staff members will be available to assist individuals and make revisions where necessary.
• The computation of costs for the Drain will be available.

Persons with disabilities needing accommodations for effective participation in the Day of Review should contact the Drain Commissioner's Office at the number noted above (voice) or through the Michigan Relay Center at 7-1-1 (TDD) at least 24 hours in advance of the Day of Review to request mobility, visual, hearing, or other assistance.

Notice of Letting
The below additional information can be found on the Notice of Bid Letting on the Drain Commissioner's website at: https://www.allegancounty.org/departments/drain-office/drain-maintenance:

• A description of the lands constituting the drainage district;
• Number and length of sections, the average width of each section, and if the drain will be closed, the amount and specifications of all tile or pipe required;
• Location, number, type, and size of culverts or bridges to be installed, if any; and
• Conditions upon which the contract will be awarded.

Comments
Comments on the apportionment of benefits may be submitted in writing or verbally at the Day of Review. Comments may also be submitted in writing before the Day of Review to:

MAIL: Allegan County Drain Commissioner
3283 122nd Avenue
Allegan, MI 49010
EMAIL: cmachiela@allegancounty.org

Comments submitted in advance must be received by the Drain Commissioner prior to the Day of Review to ensure consideration.

Assessments & Appeals
Drain assessments are collected in the same manner as property taxes and will appear on your winter tax bill. If drain assessments are being collected for more than one (1) year, you may pay the assessment in full with any interest to date at any time and avoid further interest charges. If you would like to prepay in order to avoid interest, please contact the Drain Office on or after April 25, 2025, to coordinate prepayment.

You may appeal the Drain Commissioner's determination of apportionments to the Allegan County Probate Court within ten (10) days.

Chris Machiela
Allegan County Drain Commissioner

Public Notices

Attention homeowner: If you are a military service member on active duty, if your period of active duty has concluded less than 90 days ago, or if you have been ordered to active duty, please contact the attorney for the party foreclosing the mortgage at the telephone number stated in this notice.

Notice of foreclosure by advertisement. Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, starting promptly at 9:00 AM on APRIL 17, 2025. The amount due on the mortgage may be greater on the day of the sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information.

Default has been made in the conditions of a mortgage made by Darcy Lloyd, an unmarried woman and Jackie Lloyd, an unmarried man, to Fifth Third Mortgage - MI, LLC, Mortgagee, dated April 1, 2010 and recorded April 13, 2010 in Liber 3410, Page 229 Allegan County Records, Michigan. Said mortgage is now held by Fifth Third Bank, National Association, by assignment. There is claimed to be due at the date hereof the sum of Seventy-Five Thousand Nine Hundred Eighty-Four and 12/100 Dollars ($75,984.12).

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public vendue at the place of holding the circuit court within Allegan County, Michigan at 9:00 AM on APRIL 17, 2025.

Said premises are located in the Township of GANGES, Allegan County Michigan, and are described as:

Part of the Northeast 1/4 of Section 9, Town 2 North, Range 16 West, Ganges Township, Allegan County, Michigan, being described as: Beginning at the East 1/4 corner of said Section, thence North 01 degree 18 minutes 46 seconds West 327.48 feet along the East line of said Section; thence North 89 degrees 30 minutes 53 seconds West 529.64 feet; thence South 01 degree 24 minutes 14 seconds East 326.85 feet; thence South 89 degrees 26 minutes 42 seconds East 529.14 feet along the East and West 1/4 line of said Section to the Point of Beginning.

2110 66th St, Fennville, Michigan 49408

The redemption period shall be 6 months from the date of such sale, unless determined abandoned in accordance with MCLA §600.3241a, in which case the redemption period shall be 30 days from the date of such sale.

If the property is sold at foreclosure sale, pursuant to MCL 600.3278, the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damage to the property during the redemption period.

NOTICE OF FORECLOSURE BY ADVERTISEMENT THIS FIRM IS A DEBT COLLECTOR ATTEMPTING TO COLLECT A DEBT, ANY INFORMATION WILL BE USED FOR THAT PURPOSE. PLEASE CONTACT OUR OFFICE AT THE NUMBER BELOW IF YOU ARE IN ACTIVE MILITARY DUTY. Default has occurred in the conditions of a mortgage made by Melissa Young (the "Mortgagor") in favor of Big Brother Bail Bonds Agency, LLC, a Michigan limited liability company with an address of 800 Monroe Ave NW, Suite 212, Grand Rapids, MI 49503 (the "Mortgagee") dated August 19, 2024, and recorded on September 19, 2024 at Liber 4974, Page 637 of Allegan County Records (the "Mortgage"). The amount claimed to be due on said Mortgage and unpaid as of the date of this Notice is Five Thousand Five Hundred and 0/100 ($5,500.00). This sum will increase as additional interest, costs, expenses, and attorney fees accrue under the Mortgage and its related note as permitted by Michigan law after the date of this Notice. No legal or equitable proceedings have been instituted to recover the debt secured by the Mortgage and the power of sale in the Mortgage has become operative by reason of default. The Mortgage will be foreclosed by a sale of the property herein described, or some part of thereof, at public auction, to the highest bidder for the purpose of satisfying the amount due and unpaid on the Mortgage, along with interest due, the legal costs and charges of the sale as allowed by statute and/or the Mortgage, and any taxes and insurance that the Mortgagee pays on, or prior to, the date of said sale. Notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises or some part of them at a public venue at the place of holding, Allegan County Courthouse Lobby at 113 Chestnut Street, Allegan, MI 49010 at 9:00 a.m. on May 15, 2025. The property mentioned and described in the Mortgage is located in the Township of Valley, County of Allegan, State of Michigan, more specifically described as: LOT 155 ASPEN ACRES SEC 21 T2N R14W. Parcel ID: 22-160-155-00 Commonly Known As: 1777 Grant Drive, Allegan, MI 49010 together with all existing or subsequently erected or affixed buildings, improvements, and fixtures: all easements, rights of way, streets, roads, alleys, and public places, privileges, and appurtenances, public or private, now or later used in connection with the property; and all rights to make divisions of the land that are exempt from the platting requirements of all applicable land division or platting acts, as amended from time to time. Attention Purchasers: the Foreclosing Mortgagee reserves the right to cancel the sale prior to sale or to rescind the sale at any time. In the event of cancellation or rescission, your damages, if any, will be limited solely to the return of the bid amount tendered at the sale, plus interest. If the mortgaged property is sold at foreclosure sale under Chapter 32 of the Revised Judicature Act of 1961, pursuant to MCL 600.3278, the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for any damage to the property during the redemption period. The length of the redemption period will be six (6) months from the date of the sale unless determined abandoned in accordance with MCL 600.3241a, in which case the redemption period will be thirty (30) days from the date of the sale, or as otherwise provided by statute. DATED: March 28, 2025 SHAUN P. WILLIS (P62441) WILLIS LAW ATTORNEYS FOR BIG BROTHER BAIL BONDS AGENCY, LLC 491 W. South Street, Kalamazoo, MI 49007 (269) 492-1040

Civil Case

A civil action between these parties or other parties arising out of the transaction or occurrence alleged in the complaint has been previously filed in Allegan County District Court, where it was given case number 24-2014-LT and assigned to Judge William Baillargeon. The action is no longer pending.

Summons

NOTICE TO THE DEFENDANT: In the name of the people of the State of Michigan you are notified:

1. You are being sued.

2. YOU HAVE 21 DAYS after receiving this summons and a copy of the complaint to file a written answer with the court and serve a copy on the other party or take other lawful action with the court (28 days if you were served by mail or you were served outside of Michigan).

3. If you do not answer or take other action within the time allowed, judgment may be entered against you for the relief demanded in the complaint.

4. If you require accommodations to use the court because of a disability or if you require a foreign language interpreter to help you fully participate in court proceedings, please contact the court immediately to make arrangements.

ORDER FOR ALTERNATIVE SERVICE OF PROCESS

BY PUBLICATION AND FIRST CLASS MAIL

At a session of court held in the courthouse in

Allegan County, Michigan, on March 19, 2025

Present: Honorable Matthew W. Antkoviak, Circuit Court Judge

Plaintiff filed a verified ex parte motion for service of process in the discretion of the court. After reading the motion, the court finds that Plaintiff has shown that service of process cannot reasonably be made on Defendants Marilyn Shulman and The Marilyn Balfoort Trust by the methods provided in MCR 2.105(A). The court further finds, pursuant to MCR 2.105(1), that service of process by delivery by first class mail and publication in Allegan County, Michigan

are the best available methods of service of process reasonably calculated to give Defendants actual notice of the proceedings and an opportunity to be heard.

IT IS ORDERED. that Plaintiffs must serve the Defendants by publication for three consecutive weeks in a newspaper located in Allegan County, Michigan. Further, that Plaintiff must mail a copy of this order, along with a summons and complaint, by first-class mail, to Defendants at their last known address.

Notice of Foreclosure by Advertisement

Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the Circuit Court in Allegan County, starting promptly at 09:00 AM, on May 1, 2025. The amount due on the mortgage may be greater on the day of the sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information. Name(s) of the mortgagor(s): Eugene S Allen and Kim K Allen, Husband and Wife Original Mortgagee: Option One Mortgage Corporation Foreclosing Assignee: Wells Fargo Bank, National Association, as Trustee for Asset Backed Securities Corporation Home Equity Loan Trust, Series OOMC 2005-HE6 , Asset Backed Pass-Through Certificates, Series OOMC 2005-HE6 Date of Mortgage: May 5, 2005 Date of Mortgage Recording: May 16, 2005 Amount claimed due on mortgage on the date of notice: $72,385.53 Description of the mortgaged premises: Situated in the Township of Cheshire, Allegan County, Michigan, and are described as: The North 15 Acres of the Northwest 1/4 of the Northeast 1/4 of Section 29, Town 1 North, Range 14 West, Cheshire Township, Allegan County, Michigan. Commonly Known as: 391 45th St., Grand Junction, MI 49056 The redemption period shall be 6 months from the date of such sale, unless determined abandoned in accordance with MCL 600.3241a, in which case the redemption period shall be 30 days from the date of such sale, or upon the expiration of the notice required by MCL 600.3241a(c), whichever is later; or unless MCL 600.3240(16) applies. If the property is sold at foreclosure sale under Chapter 32 of the Revised Judicature Act of 1961, under MCL 600.3278, the borrower will be held responsible to the person who buys the property at the mortgage foreclosure sale or to the mortgage holder for damaging the property during the redemption period. Attention Purchaser: This sale may be rescinded by the foreclosing mortgagee for any reason. In that event, your damages, if any, shall be limited solely to the return of the bid amount tendered at sale, plus interest, and the purchaser shall have no further recourse against the Mortgagor, the Mortgagee, or the Mortgagee's attorney. Attention homeowner: If you are a military service member on active duty, if your period of active duty has concluded less than 90 days ago, or if you have ordered to active duty, please contact the attorney for the party foreclosing the mortgage at the telephone number stated in this notice. This notice is from a debt collector. Date of notice: 04/03/2025 Potestivo & Associates, P.C. 251 Diversion Street, Rochester, MI 48307 248-853-4400 320528

RELIGION SECTION

Some four decades ago. I served a five church parish in northern Alberta, Canada that was about the size of Rhode Island. I did the five services every Sunday, but the last one was 92 miles away from home. It was not such a bad drive during the summer when sunset was around midnight, but in the winter, it was brutal and dangerous. By late December, sunset was at two o'clock in the afternoon, and the winter temperatures often dropped to minus 30. Add in the wind, and the temperature felt like 80 below zero.

I would set out for home, knowing that if I had car trouble and a breakdown, it was not likely I would survive. If the wind was blowing snow across the open prairie, they might find what was left of me in the spring. When I think of it now, I wonder 'what was I thinking?' The answer was I probably did not have my brain fully in gear.

The one saving grace on those night was that I would see the barn lights, often a mile or two apart. I would see one ahead, drive past it, and see another one beyond that. I kept telling myself that if I did have car trouble I could walk to the closet farm, either ahead or behind me.

Thinking about it a few years ago, I realized the similarity between farm lights and our relationship with Jesus, especially in difficult times. We move forward by trusting and having faith that Jesus is always with us; always watching over us and protecting us.

There is something else I realized. Yes, Jesus was present and protecting me, but he often uses other people to do some of the work. Whether there had been lights every couple of miles or not; Jesus would still have been watching over me. The farmers who installed and maintained the lights did their part and had a role in this, too.

Far more than we realize, we rely upon others in challenging times. In turn, others rely upon us to be there for them. We are all invited to be part of the Kingdom, or as it is sometimes called, The Realm of Humanity. To give deeply of ourselves is a blessing to others, and an example to those around us.

Do you remember the old Red Green Show? He always concluded with, "I'm pulling for you; we're all in this together." In God's scheme of things, that is so very true.
